

## Folsom Here On Sunday To Play Truckee Team

### Truckee Drops to Lincoln In Close Contest On Weekend

Although they were only credited with one earned run, Lincoln defeated the Truckee Mountaineers Sunday by a 5 to 2 score.

A broken web in Firstbaseman Bill Conners' mit, which permitted a hard thrown ball from Thirdbaseman Frank Giovannoni to go sailing through, resulted in two of the Lincoln runs in the sixth inning. This play was protested by Manager Larry Baxter on the grounds that the Lincoln runner on first base at the time of the play came home for a tally while the league rules provide that only two bases can be taken on an overthrow. Lincoln contended the runner had rounded second prior to the play.

Another Lincoln run was scored when a runner was caught between third and home and Catcher Boucher dropped the ball thrown by Giovannoni, allowing the runner to cross the plate.

#### Folsom Here Sunday

The Truckee team, regardless of the loss, is shaping up nicely and are looking forward to meeting Folsom here Sunday afternoon for the second home game of the season. Mel White is proving to be a fast, competent second sacker and led the hitting for the locals Sunday with two for three, one a double. Baxter, Giovannoni, Eddie Ulsheimer, who is back at short, and Boucher each got a hit.

Bill Black, Nevada Turf Club chucker, was on the mound for Truckee and was hit only seven times, doing a whale of a job, getting two put outs and four assists.

#### No Split Season

With a bad seasonal start in the new company, Truckee rather anticipated a split season to give them a chance to start over but Secretary Scoop Thurman this week announced that a check of the teams showed the majority would not favor this change. With a strengthened lineup, however, Truckee is out to rap some of the league leaders off the perch and still has high hopes of getting into the first division, a very good likelihood.

### Four Receive Awards For School Records

Mrs. M. E. Brown, president of the Truckee Union Parents and Teachers Association, presented on behalf of the organization individual awards for the highest scholastic achievement maintained during the school year. The awards went to Betty Parkhurst and Clarence Dunkelbarger of the high school and Sharon Reynolds and William Currier of the grammar school at graduation ceremonies held at the Donner Theater on June 8.

The four young people graduated from their respective schools.

### Second Birthday Party Honors Mary Vertner

Mary Vertner, who was two years old on June 4, was the incentive for a party given by Mrs. R. N. Little and Mrs. Loren Vertner on Friday afternoon in the home of the latter. Two tiny plastic figures held the candles topping the cake and all of the table favors were in pastel shades.

Others present for the afternoon's fun were Barbara Vertner, Jean Wakefield, Mrs. Douglas Barrett and daughters Kathryn, Sheila and Phyllis, Mrs. Robert Leamon and children Barry and Marcia.

#### Same Birthdates

Observing their birthdays on June 15 are Guy White and Mrs. E. A. Ott.

## Water System Is Being Studied As Program Planned

### No Action Is Taken On Proposal for Bond Of \$155,000

Directors of the Truckee Public Utility District at their meeting Tuesday night took no official action on a proposal to finance a \$155,000 expenditure for rebuilding the local water system to provide adequate service throughout the district.

This estimate was made by two engineers, Keith Kingman and L. Cedric McAbee, who have been making a preliminary survey of the water system here.

The proposal was made to correct a situation which has caused concern for some time and if carried out will result in a permanent, adequate system designed to care for a growing, progressive community. Details will be studied and announced later, E. L. Loynd, president of the board, reports.

Current rates are expected to retire a proposed bond issue to finance the project, if accepted.

## BUSINESS SITE BEING PREPARED BY JIM MCIVER

James McIver is developing a new business location just west of Truckee across Highway 40 from Harry Eaton's service station by excavating the hillside. The area when completed, McIver said, will have a highway frontage of 100 feet and will extend back into the grade north of the highway a distance of 300 feet.

The excavating is being done by George Miller of Reno. Not only will the improvement provide an ideal business location but will also eliminate a blind turn on the highway.

### Hes Cardinal Inducted Into 20-30 Club Here

At the Truckee 20-30 Club meeting on Wednesday evening, Heslin Cardinal was accepted as a new member of the club. Guests were Humber Ciardella and Willie Curran of Truckee and Bob Thomas of the Auburn 20-30 Club.

### Tahoe-Sierra AAUW Luncheon on Saturday

A luncheon meeting of the Tahoe-Sierra Association of American University Women will be held at Sunnyside Lodge Saturday at one o'clock. All members and interested persons are cordially invited. Reservations may be made with Mrs. Kjell Rustad of Tahoe City or by telephoning 384W.

### Refrigeration Service Business at North Lake

KINGS BEACH—Bud Wilson, representing the Bell Refrigeration Company, with headquarters at Roseville, has arrived here to open the local branch of the company and extend service to the entire Tahoe and Truckee area.

The company features commercial as well as domestic installations and services and Wilson said they are on 24-hour call.

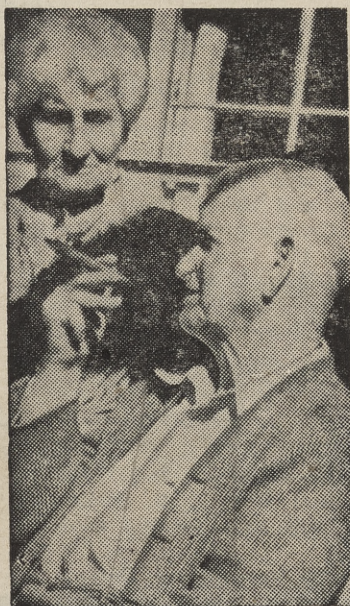

### Marie Fitzpatrick Goes From Height to Depth

Miss Marie Fitzpatrick, who for the past several years has been employed at the Donner Summit CAA station, has been transferred to Coachella in southern California where she will occupy a similar post. The new location is a far cry from the rugged 7000-foot perch which Miss Fitzpatrick has occupied, being about 12 feet below sea level. She plans to return to this area as soon as the opportunity presents itself, she said.

#### Correction

Mrs. Fosten Wilson is one of the attendance captains named by Pythian Sisters Temple 79 instead of Bertha Tonini.

### Married 59 Years

Mr. and Mrs. Henry Tucker of Tahoe Vista who last week observed their 59th wedding anniversary. They were married at St. Helena, Napa County, June 5, 1890. Tucker is a descendant of Resin P. Tucker of Donner Party rescue fame.

## Award Truckee Road Contract

SACRAMENTO —(WNS)—Award of a \$64,879 contract for grading and surfacing half a mile of U. S. Highway 40 in Truckee was announced yesterday by the State Department of Public Works.

The improvements will be undertaken between the intersection of Commercial Row with Bridge Street and one-half mile east in Truckee. J. Henry Harris Company, Berkeley, was awarded the contract.

## LEGION DANCE AT VETS' HALL SATURDAY NIGHT

Truckee Post 439, American Legion, is sponsoring a dance to be held Saturday evening, June 18, at the Veterans' Memorial Hall in Truckee.

Music will be provided by Jimmy Nelson and his band with specialty numbers by Julius Jacquet and songs by Miss Shirley Holiday.

The public is invited to attend.

## Work Progressing on Masonic Hall Project

Work of remodeling the upper floors of Masonic Hall was well underway this week as contractors began the task of moving the lodge hall from the third to the second story of the building. H. G. Loehr, master of the lodge, said that the work will also include repair and alterations on the rear of the structure and a general overhaul.

The second floor, which will be used as a lodge meeting place, formerly was rented out for dances and other public affairs. The third floor will be temporarily abandoned, Loehr said.

## Recent Honor Students Work at Local Bank

Two graduates of the Truckee high school this week accepted positions with the Truckee branch of Bank of America.

They are Betty Parkhurst, daughter of Mr. and Mrs. Vernon Parkhurst, who was salutatorian of her class and Clarence Dunkelbarger, who was valedictorian. Both were high honor students during their high school days, respected by faculty and fellow students, and are expected to make good in their chosen work.

## New Chamber Leaders To be Named Tonight

New directors of the Truckee Chamber of Commerce are scheduled to be elected at a meeting this evening at the chamber offices, President William Porter announced. Those nominated for the positions are C. R. Heller, J. R. Wolert, Dave Rose, Mrs. Olla Tonini, H. G. Loehr, R. A. Scott and Earl Stice.

Other business pertaining to civic improvements is planned for discussion.

## Local Boys Will Attend Military Camp In South

### Cadet Corps Program Planned At School Next Term

The appointment of Jay Warren Clark as commandant of the Tahoe-Truckee high school's unit of the California Cadet Corps at Truckee, with the relative rank of first lieutenant in the California National Guard was announced this week by the Cadet Corps headquarters at Sacramento.

Clark says that he will accompany a group of 12 Truckee area youths to San Luis Obispo this week where they will take part in a 10-day training period with the state cadet corps. The local boys under orders include Raymond Crandall, Billy Currier, Robert LeRoy Eccleston, Don Clardon Fitzgerald, Joe Garcia, Harold David Hagstrom, Allan Harper, Charles Jolly, James Howard Painter, Willard Ray Painter, Dael Baird Rich and Charles E. Smith.

The group will leave Truckee on Southern Pacific train No. 27 on Saturday, June 18, which they will take to Oakland. There they will join a special train going to San Luis Obispo, arriving there at 7 a.m. Sunday.

At camp, they will be under National Guard officers and will receive basic military instruction and training.

The boys will leave camp at 12:30 on the morning of June 29 and are scheduled to arrive back in Truckee that evening.

Starting with the fall semester, Clark will conduct classes in the local high school for cadet corps training. The course of study, which includes a three-year curriculum, will be outlined in next week's Sierra Sun.

## NORTH TAHOE ROAD PROJECT COSTING \$270,000

Work is well underway on the new Tahoe City-Kings Beach highway where Fredrickson Brothers, road contractors, are re-aligning and surfacing the three and a half mile stretch which has long been sought by residents of the area and the lake as a whole.

The new road will be started just east of Tahoe City, will bypass Lake Forest on the north and cross over the old highway twice before joining the present good road just east of Dollar Hill. Much of the grade at Dollar Hill, the scene of many accidents in recent years, will be eliminated, the highway going parallel with the lake at that location.

The work is being done with Tahoe National Forest funds under the direction of the Public Roads Administration and will cost approximately \$270,000. Representative Clair Engle has been a consistent worker in congress for getting this project completed.

## Hunger Victim Found Just Short of Death

The victim of hunger and exposure, August Lampi, 63, an itinerant, was found in a semi-conscious condition near Crampston's on Highway 40 Saturday night and after local treatment by Dr. L. D. Nelson, was taken to the Placer County Hospital in the Truckee ambulance.

The man was found by two fishermen and taken to Crampston's where the ambulance was summoned. He was unable to talk and could not have survived more than a few hours had he not been discovered, N. F. Dolley, Truckee ambulance operator, said.

#### OPENS STABLES

H. B. Adams of Sausalito has arrived at Donner Lake Lodge and will operate the riding stables there this summer. He previously operated a stable in San Francisco.

#### Sacramento Visitors

Mr. and Mrs. Robert Leamon and Barry and Marcia were the guests of Mr. and Mrs. Charles Walker of Sacramento, returning home by train Wednesday.

## Sun Beams

by Walter M. Barrett

Officials of the two major Lake Tahoe booster organizations—the Lake Tahoe Chamber of Commerce and the Lake Tahoe-Sierra Association—meeting with state division of highway officials recently agreed that the one section of highway at the lake which needs attention is that above Emerald Bay and they proposed that when funds are available that this portion of Highway 89 be given due consideration. The section is difficult to maintain and provides only passable travel facilities. Combined efforts of state and organization officials to remedy this situation should meet with unanimous approval and win support.

Employment of two graduates of the Truckee high school at the local Bank of America speaks well for both the school and the bank. The latter is anxious to encourage young people to engage in banking activities and when two from one small class of eight find a place in their home town bank it is noteworthy to say the least, and we sincerely trust that both the bank and the graduates will be benefited by the association.

With the temperature these days reaching high marks we are finding more and more cars on the highways of the Sierra as motorists seek relief from the heat of the valley areas. Many of these motorists are unaccustomed to driving over mountain roads and despite the fact that the roads are for the most part excellent, accidents may occur. It behooves everyone to be as cautious as possible, obey all the rules of the road and extend courtesy to every other driver. It will pay off.

## SERVICE CLUBS TO PLAY BALL ON LAKE SHORE

A softball game between the Lions and Rotary clubs, to be followed by a box lunch picnic at the west end of Donner Lake, is scheduled for Saturday, according to announcement made at the meeting of the Rotary Club at Donner Lake Lodge Monday night. Rotarians are required to be present as the attendance will be counted for the Monday meeting which is being called off.

Harold Hodson presided at the meeting and Lee Nesbit and Tom Borneman were guests. Pete Land of Loyalton and Jess Ball of North Sacramento were visiting Rotarians.

## Farewell Party Given For Mrs. Guy White

Mrs. Guy White was guest of honor last evening at a farewell party tendered her by a group of friends at the home of Mrs. Doug Barrett. The evening was highlighted by a handkerchief shower and visiting and refreshments were served. Mrs. John Rablin and Mrs. G. Hocker assisted the hostess. Others present were Mesdames W. Loynd, W. Gautsche, W. Bottell, H. Eaton, E. Brown, H. Hagstrom, W. Englehart Jr., E. Tonini and J. Freeland.

The Whites are leaving Truckee to make their home in Colfax.

#### Visitors Here

Mr. and Mrs. Gill Smith and daughter Susie of Lincoln and Mr. and Mrs. R. J. Nesbitt and J. R. Files all of Vallejo visited Mr. and Mrs. E. A. Parker over the weekend. Parker recently received word that his sister in Warren, Ohio, is quite ill.

#### Returns from Valley

Mrs. N. S. McCrary returned from a visit in Roseville last week.

#### At Tahoe Cedars

Mr. and Mrs. William G. Haste have arrived from Gardena to open their real estate office in the Tahoe Cedars tract at Lake Tahoe.

## Bay Man Killed As Car Wrecked Near State Line

### Brother Badly Injured; Speed Is Blamed For Crash

One man was killed and a second seriously injured at 10 o'clock Tuesday morning in an automobile crash just east of the Sierra County line on Highway Forty.

The dead man was Robert Taylor Fletcher, 31, 925 Texas St., San Francisco, believed to have been the driver of the 1939 model Oldsmobile sedan which went out of control on a curve and crashed end over end for 400 feet before coming to rest on the driver's body.

Vernon Fletcher, 22, San Francisco, brother of the dead man, was rushed to a Reno hospital by the Truckee ambulance. He was suffering from critical injuries and may not survive. He was thrown clear as the vehicle crashed.

Witnesses told Deputy Coroner N. F. Dolley and Patrolman George Schrom that the car was traveling at an excessive speed, rounded a slight curve and met a Lang truck driven by Oscar Morris, Sacramento. In attempting to return to the right side of the road, Fletcher lost control and the car began its mad tumbling.

It was believed that the two men, bay area painters, were en route to Reno to visit a sister who had been injured in a car mishap just east of Sparks Monday.

The dead man is survived by his wife and baby as well as other relatives in the bay area. Coroner Alvah Hooper and Sheriff R. W. Hoskins arrived Tuesday to assist in the investigation.

#### Two Accidents

Two people were injured in minor auto mishaps during the past week, the highway patrol reported.

David R. Beebe, 23, Reno utility company lineman, suffered minor injuries Thursday at noon when the truck he was driving left the highway and was wrecked six miles south of Truckee on the Brookway cutoff. He was cited for traveling at an unsafe speed by Patrolman William Gautsche.

Dr. Elmer M. Whitehouse, 62, Palm Springs, had minor injuries when his car and one operated by C. E. Mandeville, 37, Kings Beach contractor, collided a quarter of a mile east of Tahoe City Wednesday. Dr. Whitehouse was cited by Patrolman T. F. Sheehan for failing to signal before he turned in front of the Mandeville car.

## O'Rourke Tells Lions Of School Program

Everett O'Rourke, superintendent of the Tahoe-Truckee Unified School District, spoke on the district at last night's meeting of the Lions Club, giving a brief outline of the program. Stan Martin presided.

Tuesday night the Lions will go to Reno for participation in the district convention, meeting at the Mapes Hotel at 7 p.m. Next Wednesday's meeting will be called off.

A large group of members and guests of the Truckee Lions Club gathered at Beacon Hill Lodge Saturday night for a dinner-dance. R. N. Little was chairman of the arrangement committee.

## Local Area Unaffected By Milk Price Slash

Since a recent announcement that a drop of one cent per quart in the price of milk had become effective in the Placer-Nevada Marketing Area, there has been some confusion relative to local prices. Local distributors are not in the marketing area and the change in price does not effect the territory east of Donner Summit.

#### Brothers Visit

J. C. and Ernest Langille of the bay district are visiting their son and nephew, Harold Langille, and Mrs. Langille.

## Board Picks Site For New School West Of Truckee

### State Official Narrows Local Choice to Two Possible Sites

The governing board of the Tahoe-Truckee Joint Unified School District has, after carefully examining nine proposed sites, selected an area for the new high school of the district one-half mile west of the Truckee-Tahoe Wye on the south side of Highway 40 on property of the Truckee Public Utility District.

The utility district directors at their meeting Tuesday agreed to sell 49 acres to the school district for \$2,000 when the proposed bond issue is passed.

The sites that have been suggested and examined by local and state school officials are as follows:

#### Nine Sites Studied

1. An area approximately half a mile south of Squaw Creek on the west side of the highway, opposite the Lühr and Walker residences.
2. An area one mile south of Big Chief Camp on the west side of the highway opposite the Taft place.
3. An area approximately four miles south of Truckee bordering Deep Creek on both sides of the highway known as the Meadow and Way's place.
4. The Truckee baseball park and surrounding area at the Truckee-Tahoe Wye.
5. An area 200 yards west of Donner Lake on property now belonging to the state park commission.
6. An area on the north side of US 40 known as the Meadow Lake tract between the highway patrol office and Mountain Fuel Company plant.
7. An area on either side of the Hobart Mills road about two miles north of Truckee.
8. An area a mile and a half south of Truckee on the Truckee-Kings Beach cutoff road.
9. An area a half of a mile west of the Tahoe-Truckee Wye on the south side of US 40 on property now owned by the Truckee Public Utility District.

Elimination Causes  
Sites 1, 2, 3, 4 and 6 were eliminated by Dr. Charles Bursch, chief of the division of school house planning, because they are too small for adequate sites, according to state standards. In addition site 3 was considered dangerous since the highway passed through it.

Site 4 would require considerable drainage and filling to make it adequate because of the low elevation in relation to Donner Creek.

Site 5 has now become the property of the state.

Site 6 would require considerable filling and terracing.

Site 7, while it has sufficient acreage, is inaccessible to utility (Continued on Page 8)

## Mrs. Englehart Given Stork Parties in Week

Mrs. William Englehart Jr. was the guest of honor at two recent stork parties, Thursday evening, June 2, members of the executive board of the local PTA presented her with pink and blue gifts.

The following Thursday evening, members and workers of the Community Methodist Church showered her with presents. Mesdames Harry Barnes and Eugene Ridsen were hostesses at the latter party.

Over 150 members attended the reception held in Loyalton on June 7 honoring Worthy Grand Matron Elveta Grohl and Worthy Grand Patron Joseph Reid, Order of Eastern Star. A pageant depicting their respective areas' part in centennial history was enacted by Loyalton, Portola, Beckwourth, Sierra Star and Truckee chapters highlighted the evening's entertainment.

The next regular meeting of Truckee Chapter will be held on Tuesday, June 21. Mrs. James McIver is chairman of the refreshment committee and members of this and other chapters are cordially invited to attend.

## Truckee Eastern Star Attend Matron's Visit

Over 150 members attended the reception held in Loyalton on June 7 honoring Worthy Grand Matron Elveta Grohl and Worthy Grand Patron Joseph Reid, Order of Eastern Star. A pageant depicting their respective areas' part in centennial history was enacted by Loyalton, Portola, Beckwourth, Sierra Star and Truckee chapters highlighted the evening's entertainment.

The next regular meeting of Truckee Chapter will be held on Tuesday, June 21. Mrs. James McIver is chairman of the refreshment committee and members of this and other chapters are cordially invited to attend.

## Band Concert Here Saturday Afternoon

Mrs. A. Pace reports she has received word that the Marysville Municipal Band will give a concert in Truckee Saturday afternoon, under the baton of Wilson McRae. The time and place were not announced.

The group will be en route to Lake Tahoe where they will play Saturday night and Sunday, an annual event.

## North Tahoe

by T. BURROUGHS  
(subbing for Dot O'Brien)

**UTILITY DISTRICT**  
A meeting of North Tahoe Community and Sports Inc. Friday, June 10, with Otis Wing presiding, was well attended. The meeting was called in the interest of North Tahoe Utility District, presenting L. Cedric Macabee, engineer, and T. L. Chamberlain, attorney for the district. It was unanimously voted to circulate at once petitions for a bond election for the sanitary project within the utility district. Now is the proper time for owners of adjoining properties to circulate petitions for annexation also.

**CHAMBER OF COMMERCE**  
Last board meeting of the Lake Tahoe Chamber of Commerce was held at Eugene's Chateau Thursday, June 9. On the evening of June 21 the big election and dinner meeting will be at Tahoe Village. This dinner, by the way, is furnished by Tahoe Village for the benefit of the chamber. Everybody is invited and dinner is \$2.50 per person.

## V.F.W. AUXILIARY

The V. F. W. Auxiliary to Lake Tahoe Post 7907 will be instituted and installed Saturday, June 18, at 8 p.m. at Carpenters' Hall. Mrs. Ella Calvert, district chief of staff, of Sacramento will officiate. The charter members of the Auxiliary are Katherine V. Wing, Betty Kerr, May Murray, Mignon Gallup, Pearl Moore, Vera Mosier, Bonnie Barnett, Irene Gallerani, Marian Rondelli, Pauline Noel, Beulah Astle, Clarice Astle, Betty Hill, Helen Walters, Flora Miles, Madge Hill and Rosemary Filippi. The installation will be open to the public. Refreshments will be served after the meeting.

## SOFTBALL

June 8 in Carson City, North Tahoe vs. Tropics. Batteries: For the Tropics, Bill Taylor, p., V. Oscar, c.; for North Tahoe: Bill Althof, p., Tom Lucas, c. One of the best games in the past three years. Score tied several times with winning run being by Harvey Martin hitting a single. Score: North Tahoe 6, Tropics 5. Home runs, Bill Martin and G. Bitler.

## ROTARY CLUB

Monday, June 6, the Rotary Club of Brockway held its first meeting as a full-fledged club. Chet Langenstein presided and there were 17 members, two visiting Rotarians (Curt Wing of Desert Palms and Pete Bennett of Catalina-Tucson) and three guests (Harry Langell, C. L. Beesly and Fred Perley) present. Program Chairman Tom Lucas showed movies of a Placer College geology field trip in 1940-41 when they visited Bryce Canyon, Death Valley, Grand Canyon and Boulder Dam. Perley, secretary-manager of the Lake Tahoe Chamber of Commerce, told of the work of his organization.

The next meeting was held at The Gables at noon June 13. Visiting Rotarians were Chet Hendricks, Walnut Creek; Ed Chism, Reno; H. H. Rollins, Auburn; Henry Ford, Modesto; Harry R. Holman, Riverside; Pete Bennett, Tucson; Tom Buell, Truckee; Mul Miles and Ket Ketman, North Tahoe. Tom Sheehan of the state highway patrol gave an interesting talk on safety and during the meeting, members voted to purchase a piano.

On June 23 the club will receive its charter at a meeting at Cal-Neva Lodge. Several hundred Rotarians, their wives and friends are expected to attend to make this one of the largest affairs ever held at North Tahoe.

## TAHOE MOST BEAUTIFUL

After completion of a ten-state vacation trip, Carl and Bernice Johnson with their two youngsters, Rickey and Carol Jean, of Merced are thoroughly convinced of the superiority of Lake Tahoe as a vacation spot. Here they will finish out their vacation reveling in the peaceful quiet of our pre-season.

## CHURCH NOTES

The annual Methodist Conference, being held at College of Pacific at Stockton five days beginning June 14 is attended from North Tahoe by Mrs. Judy, lay delegate, and Mrs. A. E. Abbott, alternate. They left Tuesday with Rev. and Mrs. Oscar Swenson of Truckee who are also attending the conference.

Church school at 10 a.m. and worship at 11 at Carpenters' Hall, Kings Beach. Eugene Ridsen of Truckee will deliver the sermon.

On Tuesday A. E. Abbott and George Rutledge worked on the benches for the outdoor chapel of the Wee Kirk o' the Pines, to be located at the corner of Bear St. and Dollyvarden. Cedar logs

for the benches were donated by P. R. Murray. It is hoped that services may be held there on July 3. Anyone interested in helping with the new chapel may get more information by calling Brockway 222J or Crystal Bay 182.

The WSCS will meet next on June 21 for an all-day work session with pot-luck lunch. The ladies will work on finishing quilts and on the Tahoe souvenir aprons. August 6 has been set for the Parcel Post Sale which will include a bake sale and sale of Tahoe souvenir aprons.

## SCHOOL PICNIC

Last Thursday the upper graders of Kings Beach School went to Incline where they enjoyed swimming, followed by hot dogs and ice cream. Principal A. Scott and Mrs. Bertha Ballard were with them and Noleen Hulbert was a guest. The primaries and intermediates picnicked on the meadow across from Incline. They did not swim but enjoyed races and games along with refreshments. Mrs. Jean Little and Mrs. Clara Van Hooser, who are room mothers, and Mrs. Van Uden went along. Mrs. Noel Hulbert and children were guests.

## HERE AND THERE

The Kings Beach PTA will sponsor a Well Baby Clinic this summer. The public health nurse from Auburn will be at the Van Uden home in Tahoe Vista Friday, June 17, at 1 p.m. to discuss the program. All mothers interested are invited to attend. This should be of special interest to mothers of pre-school age children.

Mr. and Mrs. P. R. Murray of Tahoe Estates left last Tuesday for Chico to attend the high school graduation of their niece, Greta Welchke. Greta will be employed by the PG&E at Chico this summer after a short vacation at Tahoe.

Mr. and Mrs. Frank Van Uden have just finished an enjoyable ten days with their son and daughter-in-law, Earl and Helen of Tahoe Vista. They had a wonderful time trout fishing and feasting. Larry Wayne, small son of the Van Udens, went home with his grandparents for his first away-from-mama-and-papa vacation.

Mrs. Margaret Soles, daughter

## Public Is Invited to Attend Graduation At Tahoe Lake School

TAHOE CITY—The public is invited to attend the closing exercises of Tahoe Lake Grammar School to be held at 8 p.m. on Tuesday evening, June 28, in the school auditorium. An entertaining program has been arranged and the school orchestra under the direction of Miss Edna Lardnes will present several selections.

Guest speaker will be Everett O'Rourke, newly appointed superintendent of the Tahoe-Truckee Unified School District. Mrs. Northrup Pomin, trustee, will present the diplomas.

## Conger's Cafe Receives First County Permit

TAHOE CITY—Mrs. Marie Henry, member of the Placer County board of health, reports that Mr. and Mrs. William Conger of Conger's Cafe in Tahoe City are the first to seek and receive a permit to operate an eating establishment in compliance with the county's new food ordinance.

## Subscribe to the Sierra Sun!

with her children, Judy and of Mr. and Mrs. E. S. Stokes, Eugene, are here for the summer.

Mr. and Mrs. Alfred Bettancourt of Gilroy, new co-owners of Silver Sands Resort, are up for a few days superintending the removal of trees and the fill on the waterfront side of their property in anticipation of rapid completion of six modern cabins.

Mrs. Jack Tarleton of Tahoe Vista was honored last week at a stork shower. Present were Bertha Ballard, hostess; Eva and Virginia Mason, co-hostesses and Mrs. Free, Alice Ballard, Lois Chanda, Mrs. Rapier, Margy Fellows, Wilma Lucas, Hanna Jensen and the guest of honor. Decoration included a miniature basinet filled to overflowing with beautiful gifts. Refreshments, games and the subject of babies were enjoyed by all.

## Tahoe Area Anglers Catch Many Limits During Past Week

TAHOE CITY—Among successful fishermen last week were Jack English of Kings Beach who brought in a 23½ inch four pound mackinaw and a 26½ inch 5¼ pound rainbow. Jimmy Baker and G. D. Waters both have been taking limits of Loch Leven and rainbow from the Truckee River. Larry Cardwell of Kings Beach caught two 4½ pound mackinaw last week in the north Tahoe District.

Fred Main reports fishing continues good on the Tahoe Boat Company piers.

## New Buildings Go Up In Lake Community

TAHOE CITY—Two new buildings are rising in the vicinity of the Tahoe City wye this week. One is the Kilner building of baselite blonks. The Boyce Construction Co. is building the 40x20 structure to conform with the larger Kilner business block completed last fall. A large parking area will be available when the project is finished.

Near the bridge at Tahoe City wye a wooden structure is being built to house the Beardsley Real Estate Company's office.

## WHERE THE SPIRIT OF SERVICE BEGINS

One Coast-wide school system is for telephone people only—and better service for the West is the result

1. As this young lady learns to use a training switchboard, she'll also learn many things that will be mighty important to good service. All through her training she'll see how operators make courtesy and helpfulness a normal part of their jobs. And the same spirit is present as other telephone people learn their new skills.

2. On stubby poles like these, linemen learn to use their new climbing equipment. This is just one of the more than one hundred courses that telephone people study in towns large and small—up and down the Coast. In 1948, thousands of employees received training. That means thousands of men and women better able to furnish good service to you.

3. On-the-job-training here in the West is typified by this "student" who is learning the workings of a trouble indicator frame—an automatic detective that constantly makes sure the lines on its "bear" are giving good service. Even experienced employees take refresher courses like this to keep up-to-date . . . and keep learning their way up the ladder.

4. Good service for you comes from telephone people who know their jobs. You can help them serve you best by making sure you always have the right number in mind before calling, leaving a little time between calls, giving the called person time to answer.

### Red Cross Swimming Classes Scheduled At Tahoe Next Month

TAHOE CITY—Mrs. Louise Geier, chairman of the Tahoe branch, American Red Cross, on Monday announced that children of the Lake Tahoe area will again be given free swimming lessons through Red Cross aid. Classes will be held under the

direction of Herbert Meyers of Auburn from July 7 to July 23. Lessons will be given at Kings Beach between the hours of 10 a.m. and noon daily and between 2 and 5 p.m. daily at Tahoe City.

All children of the Tahoe City area are invited to register at the home of Mrs. Evelyn Bliss and those of the Kings Beach area can register with Mrs. Madeline Gallerani.

### Nevada Farm Youth Lake Tahoe Camp To Be Held August 1-11

Nevada 4-H Club boys and girls will gather on the shores of Lake Tahoe August 1-11 for their annual state camp.

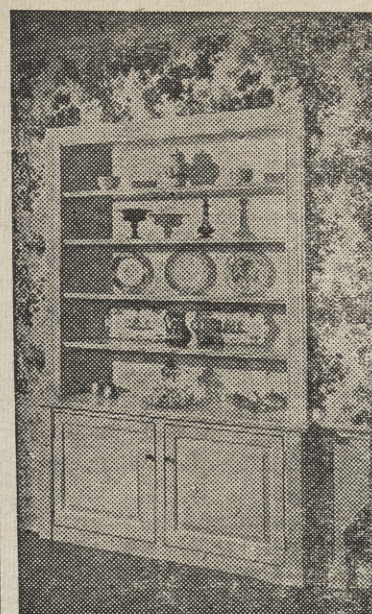

Paul L. Maloney, superintendent of the outing, said this week that again this year two camps will be held. From August 1 to 6, 4-H members 14 years and older will gather at the state camp ground for their encampment, while from August 8 to 11 those under 14 years will hold their outing.

The program, Maloney said, will follow the general lines of those during the last several months.

The main purpose, he said, is for the rural boys and girls to have a good time under wholesome conditions as a relief from work of the farm and rural home.

Acquaintance with the boys and girls of similar interests from throughout the state and

### Cabinet Replaces Unneeded Doorway

Here's an idea for anyone whose house has an unneeded doorway between two rooms. This attractive built-in cabinet now fills the space where there had been a double doorway connecting the living room and the dining room. Shelves fit within the old door frame, which was left intact above the chair rail.

the broadening of horizons will be stressed.

Again this year, the camp will be largely governed by the 4-H members themselves and emphasis will be put upon a wholesome community life in which everybody takes his proper part. Some instruction in farm and farm home activities and in camp crafts will be on the program.

Accomplishment in 4-H Club activities during the last year will receive recognition at the camp.

Maloney is assistant director for junior work of the University of Nevada agricultural extension service, which sponsors the camp.

### Well Baby Conferences To Get Underway at Tahoe Vista June 24

TAHOE VISTA—The first of the Placer County Well Baby Conferences for the Lake Tahoe area has been scheduled for Friday, June 24, 1949. The conference will be conducted in the offices of Dr. John Keys, Tahoe Vista, at 1 o'clock p.m.

All mothers of children from birth to six years of age are urged to bring them in to take advantage of the services offered. Children will receive physical examination by Dr. Saul Ruby, Placer County health officer, immunization against communicable diseases as well as advice and counsel on the many phases of childhood problems and behavior. Helpful and valuable literature is distributed to the mothers.

Mrs. Dorothy Burkhart, public health nurse, will be in attendance and members of the Kings Beach and Tahoe Lake PTAs will be on hand to assist in the conference.

#### Pierson Returns—

Harry Pierson, former Tahoe wood merchant, has returned to Tahoe Tavern where he will be in charge of the swimming pool for the summer. His wife did not accompany him due to illness.

#### Back to Costa Mesa—

Mr. and Mrs. Carlton O. Valentine of Costa Mesa enjoyed a vacation at their former resort, now Lakeside Cabins, departing for home last Thursday.

### Athletes Foot Germ How to Kill It In One Hour

IF NOT PLEASED, your 40c back. Ask any druggist for this STRONG fungicide, T-4-L. Made with 90 percent alcohol, it PENETRATES. Reaches and kills MORE germs faster. Today at LOYND'S Truckee Drug.

### Mercury Hits 79 At Tahoe City June 10

TAHOE CITY—The level of Lake Tahoe on Monday morning stood at 6225.55 with still no water released through the dam gates. Precipitation for the preceding week was a negligible .08 of an inch. Hottest day of the week was on the 10th with 79 degrees and coolest was on the 11th with 38.

#### At Summer Cottage—

Superior Judge and Mrs. C. C. McDonald of Woodland enjoyed the weekend at their summer cottage in Timberland Tract.

#### Back from Wisconsin—

Mr. and Mrs. Walter Mandeville and four children have returned to make their home at Tahoe. They left several months ago for Wisconsin to live but changed their plans and returned to Tahoe to reside.

## Summit Scene

by FRAN COUILLARD

When a "foreigner" comes in to our area to fish or hunt or just plain rest, his first query is "Do you live here the year around?" and usually follows up with "What in the world do you do to kill time?"

In the winter months there is no time to kill between the thousands that migrate to the snow fields each weekend for the mid-weeks are spent getting ready for the next weekend influx. What with making several thousand beds in the various resorts, preparing and ordering food for the weekend, shoveling snow to make spaces for cars to park and the rest of it that goes with snow business, there is enough to do to make the winter months pass quickly. Then comes that blessed "in between period" where we await the melting of the snows that are not good enough for winter sports and await the closing of schools in the cities and valleys, before the summer business begins. That "in between period" is spent in one great project—trying to capture all the rays of the early summer sun so as to acquire a sun tan before the summer rush keeps one indoors. Picking up refuge in the parking lots, from the highway right of way, from back and front yards is one way of

doing it.

Bill Vail at Soda Springs Hotel paints the pig pens and corrals of that institution while he acquires his; his little wife Rita brings her ironing board out on the sun deck of the hotel while she adds a few more coats to her stupendous tan. Betty Horak can be seen building a fence to keep "Jumper" Horak in while she labors in sun suit. Eleanor Johansen knits in an attractive piece of yard furniture while she broils in her sun suit. Winnie Ernst of the Hotel takes her dog for long walks. Tony Donadio rakes around the immaculate yard of Donner Summit Lodge while he tries to find something to rake and still get his tan. Peg Travis busy at the Soda Springs Hotel desk manages to dash out once in awhile when she burns her legs about twice a week and has to stay in for the balance of the time healing up the quick burn she is trying to acquire. Marie Strickland sits on the front porch minding the baby while she gets hers. We pick up tin cans in the back yard and fill up the low places with rocks so that the snow waters can find a higher level for a run off. Jim Sherritt builds a fence around his porch. Bill Rutherford drags the road between Forty and Ice Lakes, getting ready for summer business. Getting tanned is just one of the projects.

The neighborhood gals meet about once a week at the Sherritt home where we learn how to make drapes—practicing on Eula Sherritt's lovely material. Donner Summit Lodge rips out the partition between the dining room and lobby of the old portion of the building to make a larger dining room to accommodate the Smorgasbord customers who will start coming in on June 25th. The date for the starting irks Betty Horak a bit for it's her tenth wedding anniversary and she knows there won't be time for a party on the 25th. We believe the Smorgasbord will go

over better this year than ever before with the enlarged dining room and the menu that is being prepared for this year's mountain piece-de-resistance.

We traveled down to Kingvale and took a walk in the country across the river and find many new homes already under construction in that area.

Under wing-dings was the Truckee Lion's Ladies Night at Beacon Hill Lodge on Saturday the 11th. Looks like a good time was had by all. Forty-five attended and Elmo's "hostessing" is pretty well known and a perfect bet for a swell time. Saw Sarge Reynolds walking around with his chest sticking out as he contemplated the forthcoming period when he is presiding officer of this gay club.

Next Saturday evening the Truckee Rotary Club and the Lions meet in their annual softball game. A good time is predicted. We hear Rufe Gregory takes over as the Lions manager and Bud Walton officiates in the same capacity for the Rotarians. The mountain gals expect to pool their lunches and go down en masse to yell for their men. See Elmo's folks (including Mr. and Mrs. F. Moriano and sister and brother-in-law Leandro) up in the Beacon Hill quarters as they try to escape the predicted San Francisco heat wave and earthquake forecasts. Nan Liebert visits the Johansens and recaps from the Sacramento heat wave. Bud Keema and party of Grant Union High School in North Sacramento visits Bill Rutherford over the weekend. At the Hack Shack in Kingvale, Bill Hack Jr. and the Ballingers of Hagginwood visit their mother, Mrs. Lois Hack and escape Sacramento perspiration. We had a record breaking sale of fishing licenses last weekend

including one sold to Mildred Davis who is spending a couple of weeks at Beacon Hill visiting her husband, who is an employee of Elmo's. Mildred is making herself familiar with all lakes, creeks and rivers and comes in every evening with a few more mosquito bites. Ice Lakes are fairly well stocked with boats these days as reports come in that the trout are biting in that neck of the woods.

Chef Ed Smolek of Donner Summit Lodge has just returned from the hospital and recuperates while fishing. Duke Noah, now king of the kitchen, carries on, putting out some of the most gorgeous looking plates we've ever seen.

Hear Jeannie and Charlie Buttlar celebrated Charlie's birthday recently.

The Soda Springs Ski Corporation continues to clear the Soda Springs hill and we wonder what type of new lift will be installed thereon this year. Hear rumors of a new garage being built in the Summit section.

Donner Summit Lodge opens its summer coffee shop and curio shop with pretty Diana Lummis back on the job for the season.

Rita Vail, Betty Horak, Marie Strickland and Robyn Griffith take the neighborhood kids (with lunches) and back on the shores of Donner Lake while the kids dabble in the water.

And speaking of kids: Velda Parsons takes a bus load of them swimming on the last day of Donner Trail School, each youngster equipped with a Pop-sickle.

Coltons at Crystal Bay—The R. M. Coltons have returned to Crystal Bay, Lake Tahoe, from Sparks where the family lived during the winter.

## Recreation Developments Outlined At Tahoe-Sierra Luncheon

TAHOE CITY— Seventy-five members of the Lake Tahoe-Sierra Association and their guests, lunched at Richardson's Resort Friday noon.

President Harry Comstock of Brockway Hotel, who called the meeting to order following the repast, gave an interesting resume of Tahoe's earlier days, informed the members that advice and suggestions would be welcomed and advised that money collected by the Lake Tahoe-Sierra Association would be spent wisely and beneficially in an effort to guard and preserve the natural resources of Lake Tahoe and to advertise the region as a whole.

Arthur S. Dudley, secretary-manager of the Sacramento Chamber of Commerce; Ed Chism, representing the Reno chamber; Ted Atwood, El Dorado Chamber of Commerce; Senator Ken Johnson, Carson City chamber, and Fred Perley, secretary-manager of the Lake Tahoe Chamber of Commerce, were all in attendance, each speaking in behalf of his respective group.

**Fish Talk**

Bruce Kimsey, fish and game division biologist of Placerville, gave an informative talk on current fishing conditions in the area and told of the state's plan to plant 500,000 rainbow in Lake Tahoe, although the fish would not be of catchable size due to the limited facilities now available. They plan to plant kokanee, which can be controlled in the lake. It is hoped this will solve the problem of more and larger fish as kokanee (land-locked salmon) do not, like mackinaw, eat minnows or small trout. He said the state's program called for securing approximately 750,000 kokanee eggs per year over a four-year period. Introduction of the kokanee in Lake Tahoe is expected to do much to improve conditions within a comparatively short time.

**Ski Development**

Alec Cushing of the Squaw Valley Development Company gave an outline of work to be done this summer at the company's new ski resort where the nation's largest double chair lift

is being erected to the top of the 8200 foot mountain. The \$350,000 resort will be in full swing by winter, Cushing stated.

George Kehlet, chairman of the advertising committee, gave a resume of past expenditures, thanked the papers for their cooperation in publicizing association reports and requested members to secure a larger membership, contacting those in each resort's locality. Al Richardson, host to the group, endorsed Kehlet's plea in a brief talk.

Henry Droste, association secretary, distributed the new color folders just off the press.

**Another Meeting**

Date for the next meeting late in June has not yet been set but will be announced at the earliest possible moment. A conference is being planned at Lake Tahoe in September to which all supervisors and directors of chambers of commerce in the counties surrounding the lake will be invited to iron out problems of this area and institute a campaign for co-operating in bigger and better advertising.

Mr. and Mrs. Bill Boy and family and Bill Ortwin of Richmond were recent guests at the Lake Forest home of Mr. and Mrs. Charles Henrikson.

## Petition to be Circulated For Sewage System

TAHOE CITY— A meeting of the directors of Tahoe City Public Utility District was held in community hall on Monday night at which it was decided to circulate a petition here to get approval for the installation of a community sewage disposal plant in the district.

An enabling act has been passed by the state legislature, according to C. W. Vernon, president of the board, and federal aid may be forthcoming by the time the necessary red tape has been cut in organizing the legal machinery necessary to build the plant.

## Charles Cross Jr. to Wed University Classmate

TAHOE CITY— Tahoe friends of Charles B. Cross Jr. are extending congratulations following announcement of his engagement to Miss Patricia Ann Wilson, daughter of Mr. and Mrs. Embree D. Wilson of Las Vegas.

The prospective bridegroom is the son of Mr. and Mrs. C. B. Cross of Tahoe City. Both he and his fiancée are in their senior year at University of Nevada. A late August wedding is planned.

Raymond Henrikson of Boston is a guest of the Harry Henrikson of Lake Forest. The men are brothers.

## Tahoe Letter

FROM SWANEE

Tahoe City, June 13

Dear Tahoeites:

June is certainly "bust out all over" at long last, with most of the gorgeous Tahoe wild flowers at their prime. While the purple lupin, red Indian paint brush, pale lavender squaw carpet, yellow wyethia, fiery red snow plant, pink manzanita, creamy white snowbush and choke cherry, the latter filling the highways with its acrid odor. Weather is perfect with the temperature hitting 79 on Friday last, a fairly warm day. Fishing has been good, especially on the Truckee River, during the past week with a number of local men bringing in limits regularly.

Am pleased to report that both Mrs. Bliss Hinkle, ill in University of California Hospital in

San Francisco, and Mrs. Bernie Bechdolt, a recent patient at St. Mary's Hospital in Reno, are much improved at this writing. Mrs. Hinkle only today was permitted to sit up on the side of her bed for a few minutes and hopes to be able to take a few steps before the week is out. Mrs. Bechdolt is at the Bill Connors' home at Tahoe Pines but must remain in bed indefinitely according to present orders. Little daughter Julianne has also joined the Connors household to remain with her mother. Both patients are wished a speedy and complete recovery by their many Tahoe friends.

Henry Soll of Tahoe Pines gave his family a scare on Wednesday last week when he was taken suddenly and critically ill at his home. A physician had to be summoned and his wife sat by his bedside all night in attendance. Improvement the next

day cancelled plans to rush him to the hospital in Reno, although he remained in bed for several days before being allowed up. Latest reports indicate he is completely recovered.

Sunday I met Mrs. John B. Winters of San Francisco and John Jr., 20 months old. She told me she and her husband had arrived the evening before at Tahoe en route to Denver to visit her mother. Their car reached the observation point on Donner Summit around 9 p.m. and they left the car to watch the beautiful moonlight on the lake below. It was not until they reached Reno that they discovered the loss of Mrs. Winters' green leather envelope purse containing her check book, traveler's checks and keys. A letter she had written to her sister-in-law which had not been mailed was also in her purse, giving the finder her name and address. The highway patrol was notified but no word has yet been heard regarding its discovery. Unless it is found and returned the family cannot continue on their vacation trip. This account will aid in its return to the rightful owner if one of our readers learns of its discovery.

Mr. and Mrs. Carlton O. Valentine of Costa Mesa have returned to their southern California home following a restful vacation at Lakeside Cabins, their former resort. Mrs. Valentine could not get around to visit old friends as extensively as she had hoped due to the after-effects of a severe cold. Previous engagements kept me from running down to visit but I talked at length on the phone and Mrs. V. mailed me a cute birthday card and some colored postcard scenes taken on the many marvelous motor tours they have taken. She sent her best wishes

to all the friends they were unable to contact while here.

Sunday was a red letter day for yours truly for not only did I dine with the Warner Brothers crew under the cool shady pines of the Drum Estate but I also spent the entire afternoon watching the shooting of scenes from Beyond the Forest, which were taken on the beautiful and spacious grounds of the estate. It was a most enjoyable experience and I found everyone most cooperative and helpful. Took two rolls of pictures, which included a posed shot of Joseph Cotten, who was finding Lake Tahoe "most delightful"; several of Bette Davis having her long tresses combed out by her assistant on the green lawn of the gardens before the cameras started to roll; a number of the huge reflectors, cameras and other paraphernalia necessary to sound-filming, and some of the actual scenes as they were being filmed. Miss Davis declared she was enjoying her visit to the lake, where she has been a visitor many times. Her husband, William Grant Sherry, accompanied her on location and remained with her when she was not engaged before the camera. On Sunday she wore a white blouse with small red figures, full green skirt and red belt, and during the scene taken from the front of the Drum manse she had to run from the shore upward to the sloping entrance of the house in high-heeled, open strap sandals, a stunt which left her a bit winded—after the third "take."

Cotten was dressed in dark brown trousers, sport shirt, light tan sport jacket and brown felt hat. He was filmed later in the afternoon taking his departure from the house of his caretaker Moose (played by Minor Watson)

on the lakeshore. A battery of reflectors was placed at the proper angle in the water surrounding the point and one of the boys, while adjusting them, slipped on a rock and fell in. His rubber waders, which reached to his armpits, filled with water and he floated about for several minutes as the crowd on shore laughed uproariously. Cotten received an unexpected ducking on Friday when the canoe he was paddling struck a rock and he went overboard. He took it good naturedly and gave the crew a chuckle at his expense.

I smiled as I watched members of the crew wait in turn for a drink of bottled "Magnetic Hollywood Spring Water"—with Lake Tahoe's world-famed crystal pure water readily available. I soon was told that this was a precautionary measure to prevent illness because of a sudden change of drinking water, for the first three or four days at least. So there was a method in their madness.

Among those who are responsible for the success of Beyond the Forest are Location Manager Kenneth Cox; Director King Vidor; Assistant Directors Oran Haglund and Al Alleborn; Edwin Dupar, special effects department, and his assistants, John Polito and Fred Terzo; Arthur Dutch, grip; Harry Zubrinsky, transportation manager; William Miller, transportation; Rita Michaels, Warner Brothers' script girl for 11 years, the gal who must see that all details in the picture are kept technically correct; Bert Six, still man who replaced Fred Morgan, unable to accompany the crew because of his wife's illness, and Carl Combs, publicity man.

I stopped in at Chambers' Lodge to talk with Combs and he graciously gave me permission to outline the plot of the story. The story is taken from the novel by Stuart Engstrand of Van Nuys, whose works include the better known The String and The Arrow. The tale is laid in a straggling mill town in Wisconsin where Miss Davis (Rosa) is married to young doctor Moline. She is unhappy in the small town and longs for the excitement she finds when she and her husband visit the hunting lodge of millionaire Niel Latimer, played by David Brian. Complications arise which bring tragedy into the story. Newcomer Ruth Roman, the caretaker's daughter, also has a major role in the film.

Location was changed today to the Truckee River about six miles from Tahoe City for an important sequence in the plot.

Friend husband, who has been day watchman on 12 hour shift during the company's stay here, declared quite a number of people witnessed the shooting today along the river. Very few were admitted to the Drum Estate location, due principally to the fact that it was private property being leased by Warner Brothers and they did not wish any injury to onlookers because of possible law suits and because they assumed responsibility for any property damage which might be incurred. Enjoying luncheon and the day with me on Sunday were Mrs. Jewel Bechdolt of Tahoe Inn, her granddaughters, Christine and Sharon Bechdolt, and Mrs. Mary Donald, a guest at the Inn. Mrs. Rad Kiefer, wife of the caretaker at Drum's, served us coffee and cookies before we departed about 4:30.

Janell Lynn is Miss Davis' stand-in. Cliff Rathjen is Cotten's stand-in and Gaylord Wainwright is stand-in for Watson. My only disappointment Sunday was learning that Beyond the Forest was not being taken in Technicolor. Somebody missed the boat when they failed to capture Lake Tahoe's blue-green water, her sapphire sky and snow capped mountains with their towering pines and cedars. Tahoe put her best foot forward

with perfect weather during the group's stay but we will have to be content with a black and white production of Beyond the Forest. We await with impatience the showing of this newest not-yet-release and hope the company enjoyed making the picture here as much as we Tahoeites enjoyed having them.

To Bill Bechdolt, manager of Tahoe Inn, and his employees, goes credit for the excellent cuisine served the more than 80 visitors at tables set out in the tennis court of the estate under the pines. Menus for the day were cooked in Tahoe Inn's kitchen and transported to Drum's by truck where they were served piping hot by a staff of courteous waitresses. Members of the cast and crew were billeted at Chambers' Lodge and Tahoe Inn and were transported daily to and from location via Warner Brothers' large blue buses. The shooting was expected to end on Tuesday or Wednesday after which they will depart from Tahoe. Here's hoping this congenial group will find its way back to our mountain wonderland again before too many moons have passed. My sincere thanks to all who offered me assistance and special thanks to Bert Six who is sending me pictures of the stars taken during their stay here.

Will ring off for the week

with best wishes to all my local readers and a cheery hello to the crew of Warner Brothers who are awaiting copies of this week's Sierra Sun. Adios, good luck and come again soon. As ever, Swanee.

IS AN EASY WAY TO ADD A SHOWER

### CRANE ADDENDA

• No tearing out of walls—no plaster work required to install the Crane Addenda shower in your bathroom. The entire shower unit is merely attached to your present bathtub. It's the easy, inexpensive way to gain the convenience of a shower. Chromium plated, easy to keep clean, the Crane Addenda shower has Deviator spout (to prevent inadvertent dousing) and Refresher shower head.

### REFRESHOR SHOWER HEAD

• The shower head that saves water—and money. No small perforations to clog up—grooves form the shower stream. Fits any Crane shower.

## On Measurement Is Founded the Entire Progress of Man

A meteorologist in Uncle Sam's Armed Forces might well pause when ponders the comparison between his modern, scientific instruments and the original Galileo thermometer. The Galileo air-thermoscope consisted of a glass bulb containing air, connected to a glass tube of small bore dipping into a colored liquid. This contraption was affected by variations in atmospheric pressure as well as temperature changes, so our Sixteenth Century forefathers were never sure of the true temperature.

Yet, this was the conception of accurate measurement. Compare it with today's high standard of measurement of electricity set and met by this District and the manufacturers of our Sangamo Meters.

NO OTHER COMMODITY IS MEASURED  
AS ACCURATELY AS ELECTRIC POWER

# ORDINANCE NO. 2

BE IT ENACTED by the Board of Directors of Donner Summit Public Utility District, as follows:

1. A petition having been filed by more than fifteen per cent of the property owners of the wholly uninhabited property in the hereinafter described territory contiguous to the Donner Summit Public Utility District, requesting that proceedings be taken by the District for the annexation to the District of said territory, described as follows, to-wit:

Beginning at a point on the southwesterly line of the intersection of the "Soda Springs to Cedars" County Road and Summit Drive, running thence westerly along the southerly line of Summit Drive to the intersection point of Summit Drive and Donner Drive; thence continuing westerly along the southerly line of Donner Drive to the southwest intersection point of Donner Drive and Lot 1, Block F of Map of Ice Lakes Subdivision No. 1, thence at an angle easterly continuing along northerly line of Lake Dulzura through Section 34, Township 17 North, Range 14 East, MDM, to the westerly line of Section 35, Township 17 North, Range 14 East, MDM, thence at a right angle southerly continuing southerly along the westerly line of Section 35, Township 17 North, Range 14 East, MDM, to the northwesterly intersection point of said line and the "Soda Springs to Cedars" County Road; thence at an angle northeasterly continuing along the line of the county road back to the point of beginning at the southwesterly line of Summit Drive and the "Soda Springs to Cedars" County Road; described property being situated in westerly portion of Section 35, Township 17 North, Range 14 East, MDM, and the easterly portion of Section 34, MDM.

2. And the Board having determined that the annexation of said territory will be for the advantage of Donner Summit Public Utility District, and that the territory proposed to be annexed will be benefited by such annexation, and determined the terms and conditions upon which annexation should be made, to-wit:

(a) The territory to be annexed will be governed by the same rules and regulations governing the territory now a part of the Public Utility District;

(b) All rights and property or debts and obligations of the district shall apply to the territory to be annexed in the same manner as if the territory to be annexed had been originally a part of this public utility from the date of its original incorporation;

(c) All costs, including court costs, publication costs and attorney's fees, incurred in this proceeding for annexation shall be borne by the property to be annexed, and the property owners of the said property to be annexed do hereby promise and agree to pay said costs when and if said territory is annexed to the public utility.

3. Now, therefore, the Board does hereby declare its intention of approving such annexation and said terms and conditions; and all persons interested in or that may be affected by the proposed annexation of said territory to Donner Summit Public Utility District are hereby notified to appear at a public meeting to be held by the Board of Directors of said District in accordance with the Notice accompanying this Ordinance and fixing the time and place for hearing thereon, and show cause, if any they have, in writing, why said territory or any part of it, should not be annexed as proposed in said petition and in this Ordinance.

The foregoing Ordinance was passed at a regular meeting of the Board of Directors on the 2nd day of June, 1949.

Ayes: William Rutherford, Henry W. Piche, Elmo Moriano, Charles Vind, George Fraley.

Noes: None.

Absent: None.

Attest:

Henry W. Piche, Clerk

William Rutherford, President of the Board of Directors.

Attest:

Henry W. Piche, Secretary j23

## NOTICE OF HEARING ON THE PROPOSED ANNEXATION OF LANDS TO DONNER SUMMIT PUBLIC UTILITY DISTRICT

NOTICE IS HEREBY GIVEN that the Board of Directors of Donner Summit Public Utility District, on Tuesday, the 2nd day of August, 1949, at the hour of 8:00 o'clock p.m., at the office of the District, in the Town of Soda Springs, County of Nevada, State of California, will hold a public hearing upon the petition that has heretofore been filed by more than fifteen per cent of the property owners of the wholly uninhabited property in the hereinafter described territory, to determine whether said territory shall be annexed to the Donner Summit Public Utility District pursuant to said petition and Ordinance No. 2 enacted by the Board and accompanying this No-

To Burlingame— Mrs. Gerda Kvistberg of Tahoe Park recently spent two weeks at Burlingame on business.

San Francisco is headquarters for the 12th Federal Reserve District.

Notice in publication.

The territory proposed to be annexed is described as follows, to-wit:

Beginning at a point on the southwesterly line of the intersection of the "Soda Springs to Cedars" County Road and Summit Drive, running thence westerly along the southerly line of Summit Drive to the intersection point of Summit Drive and Donner Drive; thence continuing westerly along the southerly line of Donner Drive to the southwest intersection point of Donner Drive and Lot 1, Block F of Map of Ice Lakes Subdivision No. 1, thence at an angle easterly continuing along northerly line of Lake Dulzura through Section 34, Township 17 North, Range 14 East, MDM, to the westerly line of Section 35, Township 17 North, Range 14 East, MDM, thence at a right angle southerly continuing southerly along the westerly line of Section 35, Township 17 North, Range 14 East, MDM, to the northwesterly intersection point of said line and the "Soda Springs to Cedars" County Road; thence at an angle northeasterly continuing along the line of the county road back to the point of beginning at the southwesterly line of Summit Drive and the "Soda Springs to Cedars" County Road; described property being situated in westerly portion of Section 35, Township 17 North, Range 14 East, MDM, and the easterly portion of Section 34, MDM.

All persons interested in, or that may be affected by, the proposed annexation of said territory, within the District, are hereby notified to appear at said hearing and then and there show cause, if any they have, in writing, why said territory or any part of it should not be annexed as proposed in said petition, and in said Ordinance No. 2, or said terms and-or conditions or any part thereof be not approved.

## Judge Vernon Metes Out Jail Sentence For Reno Drunken Driver

Four minor motor vehicle accidents were reported last week by the California Highway Patrol office in Truckee.

Walter H. Mathews, 58, Reno, was found guilty of drunk driving following an accident near Donner Summit on June 2 when his car and one driven by K. C. Wheelock, 28, Santa Rosa, collided. Justice of the Peace C. W. Vernon, presiding in the absence of Justice R. N. Little, sentenced Mathews to 30 days in jail after he was unable to pay a fine. Patrolman Roy Stallard investigated and arrested Mathews.

J. M. Smith, 38, Oakland, suffered minor injuries when cars driven by Charles H. Marcum, Oakland, and Mrs. Eula Sherritt, Soda Springs, rolled near Kingvale Saturday morning, June 4. Patrolman William Gautsche investigated and cited Mrs. Sherritt for being on the wrong side of the white line.

Mary M. Hardy, Kings Beach, escaped injury on the same night when her car crashed into a large rock 11 miles east of Truckee after lights from an approaching car blinded her.

Albert J. Keegan of Reno reported that a soft spot in the highway near Rainbow caused him to lose control of a truck he was driving. The truck ran off the road but the driver was not hurt. Patrolman George Schrom investigated.

## At Carnelian Bay—

Col. R. C. Jones, who has been spending the winter in Los Angeles, has returned to Carnelian Bay for the summer months.

## Counties May Go Into Power Business Under Lindsay Measure

SACRAMENTO— Supervisors of mountain counties of the state may develop water resources within their county boundaries, under a bill introduced in the state legislature by Assemblyman Francis Lindsay, representing the sixth district. The bill has passed the assembly and was given a do-pass by the senate committee on local government by a 5-4 vote last week.

Under the bill, the supervisors may develop powerhouses to supplement the cost of irrigation water within their counties.

Voting for Lindsay's bill in senate committee was Senator Jess Mayo of Angels Camp. Senator Harold Johnson of Placer County voted against the measure.

Lindsay, who represents the counties of Nevada, Placer, El Dorado, Amador, Calaveras, Alpine, Tuolumne, Mariposa, Inyo and Mono, said these counties are not able to make industrial developments themselves on their water resources to provide water for their lands, thereby increasing the productivity of those lands and in turn increasing their valuation without developing power also.

"Without the very real possibility of securing some actual

## Don Greely Is Named Liquor Administrator For Board in District

Jerrold L. Seawell this week announced that effective July 1, Donnell Greely will receive the appointment as District Liquor Administrator for the local State Board of Equalization district.

Greely has been filling the position of supervising liquor control officer in the district and has been employed by the liquor control division in this district for the past 14 years. He is a veteran of World War I and World War II and is well known throughout District 12 which consists of the counties of Nevada, Placer, Sierra, El Dorado, Butte, Plumas, Yuba and Sutter.

Greely is succeeding Chester A. Smith who has held the position of District Liquor Control Administrator in the district since the inception of the Alcoholic Beverage Control Division in 1935. Smith is accepting his retirement effective June 30.

Revenues from county business from the production of hydroelectric power," Lindsay said, "these counties are faced with an unbearable tax burden."

Senator Johnson based his stand against the bill on the premise that it was not necessary for the supervisors to develop the water—that the bureau of reclamation would do it.

## Eastern Star Leaders Three-Day Guests At Sunnyside Home

TAHOE CITY— Mr. and Mrs. Don E. Ward of Pittsburg entertained from Sunday until Tuesday last week Mr. and Mrs. John Grohl of Knights Ferry and Mr. and Mrs. Joseph F. Reed of Los Angeles at Wards' summer home Hoopi-la-li in the Sunnyside district. Mrs. Grohl is worthy grand matron and Reed is worthy grand patron of the grand chapter, Order of Eastern

Star, in California and Ward is grand sentinel.

The entire party motored to Loyalton Tuesday night, June 7, for the official visit of the worthy grand matron to the five chapters of the Sierra District.

Mr. and Mrs. Christopher Davidson and son, Chris III, of Pittsburg spent last weekend at Hoopi-la-li where they entertained Mr. and Mrs. Art Greenwood of Pittsburg. Mrs. Davidson is the former Madelle Ward.

### Tahoe Chamber Dinner At Tahoe Village On Tuesday Night

TAHOE CITY—Charles Cross, general manager of the Truckee-Tahoe Lumber Company, newly designated president of the Lake Tahoe Chamber of Commerce, will assume his duties in July, succeeding A. E. Abbott of Kings Beach.

The next meeting of the chamber will be a dinner dance on June 21 at Tahoe Village on the lake's southeastern shore. Owner Walter Parman is donating the entire proceeds of the evening to the chamber. An invitation is cordially extended to members, their friends and the public to attend the party. Reservations should be made in advance by calling Tahoe Village.

### Al Henry Is Honored At Family Party

TAHOE CITY—Al Henry Jr. was honored at a family birthday party Saturday evening at his Tahoe City home. His wife and mother served as hostesses for the affair which was attended by Mr. and Mrs. C. O. Wheat, Mr. and Mrs. James Wheat of Auburn, Mr. and Mrs. Vern Daniels, Mrs. Mary Planett and Fred Planett of Verdi, Karen and Gary Henry.

### LEGION TO ELECT

TAHOE CITY—Tahoe American Legion Post 718 held its regular meeting on Tuesday night in Tahoe Community Hall in Tahoe City. Commander Al Randolph presided. Election of officers will take place at the next meeting to be held June 28.

### TAHOE ITEMS

Mr. and Mrs. Jack Stranathan of Trail's End near Colfax were visitors at Lake Tahoe Sunday, visiting the Al Henry home in Tahoe City during their stay.

Mr. and Mrs. Joseph Eugene Pilley of Auburn have arrived to summer at Tahoe. They will reside at the home of her parents, Mr. and Mrs. Jack Bolton of Waleswood Lodge. Pilley will assist Bolton, who is deputy county assessor for the Tahoe area, and his wife will be employed in Tahoe City.

Mr. and Mrs. E. H. Ward of Sunnyside, Lake Tahoe, and Pittsburg are spending a few days at the home of the S. E. Barleys in Santa Cruz.

Senator Ken Johnson of Carson City has signed a ten year lease with Stella Johnson giving him operation of the Bijou golf course at south Tahoe. The links are situated across from Young Brothers'.

Edward F. Ghiorzoe of Antioch was fined \$25 by Judge C. W. Vernon Sunday for excessive speed on the Truckee-Tahoe highway. He was cited by Patrolman Tom Sheehan.

Mr. and Mrs. Carl Wheat are again living at Tahoe after spending the winter at Reno.

Mr. and Mrs. Paul Riggs, who have spent several months at Shoshone, Calif., have returned to their Lake Tahoe home near Crystal Bay.

### \$300 Taken In at Fete Staged by P. T. A.

TAHOE CITY—Mrs. A. C. Johnson, president of the Tahoe Lake School PTA, reports that the carnival in the school Friday evening was the most successful venture held by the group all season. Over \$300 was realized from the sale of tickets to the movies, white elephant table, fish pond, candy, popcorn balls, coffee and hot dogs. Even after expenses are paid, a substantial sum will remain for the child welfare fund of the PTA.

Mrs. Johnson extended sincere appreciation to all who aided in the success of the venture.

Entertainment included a comedy and film on India, bingo, beanbag throwing, folk dancing on the stage by students, accordion solos by Jerry Quam, dancing in the auditorium and boxing and wrestling matches by Tommy Sheehan, Doug Wilson, Donald and Darrel Stark.

Mrs. Johnson was the general chairman, her committee assistants including Mesdames Ila Martin, Ida Simmonds, Tom Sheehan, Robert Hatch, Dick Clarke, Kay Johnson, Myrtle Gallinger, A. S. Sanford, Jean Henry, Moore and Hicks and Miss Betty Lee, Dick Bartell.

### Women's Club Record Shows Consistent History of Service

TAHOE CITY—Fifteen members of the Women's Club of Tahoe met in community hall last Thursday afternoon for the first summer session. Mrs. Louise Geier, president, presided and Mrs. Ben Callender served as secretary in the absence of Mrs. Marjorie Dorr. Mrs. LaRuth Sherman, treasurer, gave a financial report which showed a number of worthy donations in the past year. These included Fairhaven Home, Red Cross and the hostess fund for the building of a hostess house at Yountville where relatives of veterans who are patients there may stay while visiting.

A nominating committee was appointed by Mrs. Geier to include Mrs. Eleanor Swanson, Mrs. Beulah Carnell and Mrs. Irene Duffee who will contact prospective officers to be voted upon at the next meeting, June 23, at which nominations may also be made from the floor.

The Women's Club endorsed a proposal to change the name of the post office here from Tahoe to Tahoe City, a move already favored by the Lake Tahoe Chamber of Commerce and the Tahoe American Legion.

The date of election of officers was changed from May to September in order that names of local officer may be sent to the federation secretary in time to be printed in the year book.

Mrs. Geier read to the members an amusing article from the California Clubwoman on How to Kill Your Club. She also read excerpts from old documents recently unearthed, giving early history of club activities.

Organized in 1927, the club was first known as the Women's Civic League. Its first meeting was held in the home of Mrs. George Bliss, its first president being Mrs. Matt Green. Other officers included Mrs. E. C. Rogers, vice president; Mrs. Stella Watson, secretary, and Mrs. Janet Watson, treasurer.

The first club house was the Charles Keyser house on the commons, which has since disappeared. During the first year, the group donated \$200 to the sufferers of the Mississippi Valley flood through the Red Cross and their long and useful record indicates the club has aided in national, state and local projects ever since.

Binders will be purchased to file away safely these old records so they will not be lost.

Delicious refreshments were served by Mrs. Geier and Mrs. Sherman following the business session and volunteer hostesses for the June 23 meeting are Mrs. A. A. Snyder and Mrs. Jean Callender.

### Strosnider Is Injured In Auto Accident

TAHOE CITY—R. H. Strosnider, widely known Tahoe Cedars subdivider and realtor, was injured Tuesday morning at 7 o'clock when his Lincoln sedan blew a rear tire and went off the highway near Chambers' Lodge and plunged 14 feet into the rocks below the grade. The constant blowing of the car horn attracted the attention of nearby movie folks and Strosnider was discovered semi-conscious in the seat. His condition is not serious.

### Sierra Sun Advertising Pays!

provided the movies. The last meeting of the current season is scheduled for June 23 at 2 p.m. at the school after which the group will recess until fall.

**FATHER'S DAY**

EARLIEST FATHER'S DAY WAS IN ANCIENT GREECE. THEN ZEUS, FATHER OF THE GODS, AND ALSO HUMAN FATHERS, RECEIVED HONORS AND GIFTS

VENERATED COLONIAL FATHERS OFTEN HAD 20 CHILDREN AND 100 OR MORE GRANDCHILDREN. TOO BAD THEY HAD NO FATHER'S DAY!

Copyright 1949 J.C.

**My Place**

In the Sun

by DOUG BARRETT

Ola and Elden Tonini and Rev. and Mrs. Oscar Swenson share a common wedding anniversary date, namely June 10. Rufe Gregory swinging along on crutches after an unfortunate slide into base during a soft-ball game. Incidentally Bud Owens says the Truckee 20-30 lost a close one to Reno 20-30 there on Friday night. Due to one error. E. C. McReynolds telling Charlie Heller and Erv Waters the whys and wherefors of fishing Donner Lake. Saw the Collier twins, John and Charles. And their mama says they are three months old and weigh 19 and 17 pounds. But they carry their weight like champions. Bill Knox, who clerked at the Public Market to last Sunday, has moved his family back to Dixon. Vern Shattuck of Donner Theater donated the paint and volunteer labor slabbled it on to give the power and telephone poles along Commercial Row a neat white look to second story level. The new shuffleboard at Sarge's is getting quite a play these summerish evenings. Some handwriting on the wall of E. A. Parker's office for the SP water gang here proclaims a safety record of 1692 days without a reportable accident. Bob Sayre has taken the Shell oath, donned his whites and is now working at the Ellis Brothers' service station at Commercial Row and Spring. McIntyre Gates up for a week before he starts the scholastic grind at UC summer session. Tony Besio, his lovely wife and daughter, likewise up for a respite from the 103 degrees heat down Modesto way. A shiny new fire truck for Wells parked in Osburn's service station.

### Floriston

by C. A. FELESINA

Mr. and Mrs. Harry Suhre of Connersville, Ind., and Prof. and Mrs. Charles Sufferle of Miami University, Oxford, Ohio, arrived last week to visit Mrs. Sufferle's parents, Mr. and Mrs. H. C. Savage. The Suhre had never been west of the Mississippi before and are making an extended tour of the west. After spending a couple of days at Floriston they left for San Diego by the inland route and will return by the coast route to Oregon and thence to Yellowstone.

Mr. and Mrs. Frank Seymour attended commencement exercises June 8 at Placer Junior College at Auburn. Their niece, Rae Pyle, received her certificate while their nephew, Howard Pyle received his in absentia as he left about a month ago for Pensacola, Fla., for training in naval aviation. The family formerly lived for some years at Tahoe City. On June 9 the Seymours attended graduation exercises at the Auburn Elementary School where another niece, Shirley, graduated.

Mr. and Mrs. Preston Wright and Mrs. S. B. Buckner of San Francisco are spending some time at the latter's cottage here before she leaves for Germany to visit her daughter who is with the Red Cross there.

Mrs. Katherine Craig of San Francisco is visiting her son and daughter-in-law, Mr. and Mrs. Wesley Craig.

Mrs. Carl Leisure and infant son have returned from Washoe General Hospital and are both doing well.

Mrs. Beulah Murray, who has been staying at the Felesina home, has gone to spend a week with her sister, Mrs. Oelen Isbell of Reno, after which she expects to spend the summer at Lake Tahoe.

Mr. and Mrs. Thomas Julian and son Calvin of Wellington spent the weekend at the Lester Felesina home.

New Ball Bearings Sapphire balls up to a quarter-inch in diameter are being substituted for steel balls in bearings subject to high temperatures or chemical corrosion.

### Leave Fawns Alone, Annual Warning Issued by Fish, Game

California vacationers and apparently abandoned fawns are combining to give wardens of the division of fish and game their annual summer headache.

The irresistible appeal of an "orphan" baby deer each year brings out a rash of impromptu adoptions in violation of the fish and game code, wardens report. Aside from the illegal aspect, there is usually more trouble in store for well-meaning citizens when the fawn loses its baby charm and approaches surly maturity. Many serious injuries have been chalked up to ungrateful deer in captivity.

But most important, say those who know, is the fact that a fawn is seldom far away from the watchful eyes of its mother. Would-be woodland social workers are actually breaking up a happy family in almost every case.

One warden put it this way: "We're tired of playing nursemaid to confiscated fawns. Arrests and convictions will be made for possession of deer out of season or fawns at any time." The fine in state courts: \$50 to \$500 and six months in jail.

**DRIVES TOO SLOW**  
TAHOE CITY—Judge C. W. Vernon Tuesday suspended a \$10 fine against Andy Wickland of Kings Beach for driving too slow. His car and that Richard Bingham, Las Vegas, collided and Patrolman Tom Sheehan cited both, charging Bingham with speeding.

## HOME TOWN OPPORTUNITY AT LAST

It looks like Donner Lake is going to be developed into a recreational area. We all know it is one of the West's most picturesque spots, steeped in early California History. You tell me why it has not been developed before and then let me show you why I think you are missing an opportunity to get in on the ground floor of a new development in your own back yard, that is destined to become one of California's leading Resorts. Drop out and let's talk it over, it costs you nothing.

## BOARD PICKS SITE

(Continued from Page 1)  
ities and away from the centers of population.  
Sites 8 and 9 were recommended by Dr. Bursch as the two best possible sites. However, the bridge over the Truckee River will carry only a maximum of 8,000 pounds and a loaded school bus weighs more than that. Also the bridge cannot be trusted to carry heavy snow removal equipment, according to Supervisor H. G. Loehr. The road from Truckee to the site has neither foundation nor surface to support this equipment, he added, and there are not sufficient funds to rebuild the road and bridge. The buses would be required to cross the railroad in Truckee, another factor needing consideration, the board decided.  
The road from Kings Beach to Truckee is not passable in the winter and students would have to be transported over highways 89 and 40, the board added.  
**Reasons for Choice**  
Site 9 was chosen because of its location near Highway 40 and its lack of elevation above the road level, making it accessible in winter. Water, power and other utilities are immediately available. The cost of leveling would be materially no greater than the Kings Beach-Truckee site and the availability of water will tend to decrease insurance costs and provide adequate supply for irrigation.  
In reaching their decision, the board conferred with state, county and local officials and all agreed that the site selection was most adequate because of its accessibility, central location, available facilities and safety factors.

**Operation—**  
Mrs. Earl Brown is undergoing surgery at Lake Tahoe today.  
**In Valley—**  
The Frank Giovannoni family has been visiting in the valley.  
**Visiting In Valley—**  
Mrs. B. W. Reynolds has been visiting Mr. and Mrs. Vernon Reilly in Sacramento and other relatives in Placerville. Mrs. Reilly is expected to visit here this weekend.

**Former Resident—**  
W. H. Johnston of Watsonville is spending a week at the home of his brother-in-law and sister, Mr. and Mrs. Maurice Franzini. Johnston is renewing friendships here where he worked in the water department of the Southern Pacific from 1914 to 1918.

**Rays at River—**  
The C. H. Rays of Colfax have returned to their Truckee River home for the season.

**Initiation—**  
Pythian Sisters Temple 79 will hold an initiation at their meeting Thursday evening, June 23, followed by refreshments at Sarge's. Reservations for the supper must be made in advance at Heller's Variety store.

**Sees Brother—**  
Mr. and Mrs. Ray Roberts were hosts to the latter's brother, Earle Brown, and family last week who arrived from Florida en route to San Diego and China. Brown is a chief petty officer in the Navy and had not seen his sister for six years.

Tarzan

by EDGAR RICE BURROUGHS

TARZAN WAS  
ROUGHLY THRUST  
INTO A HUT  
IN THE CENTER  
OF THE  
VILLAGE.

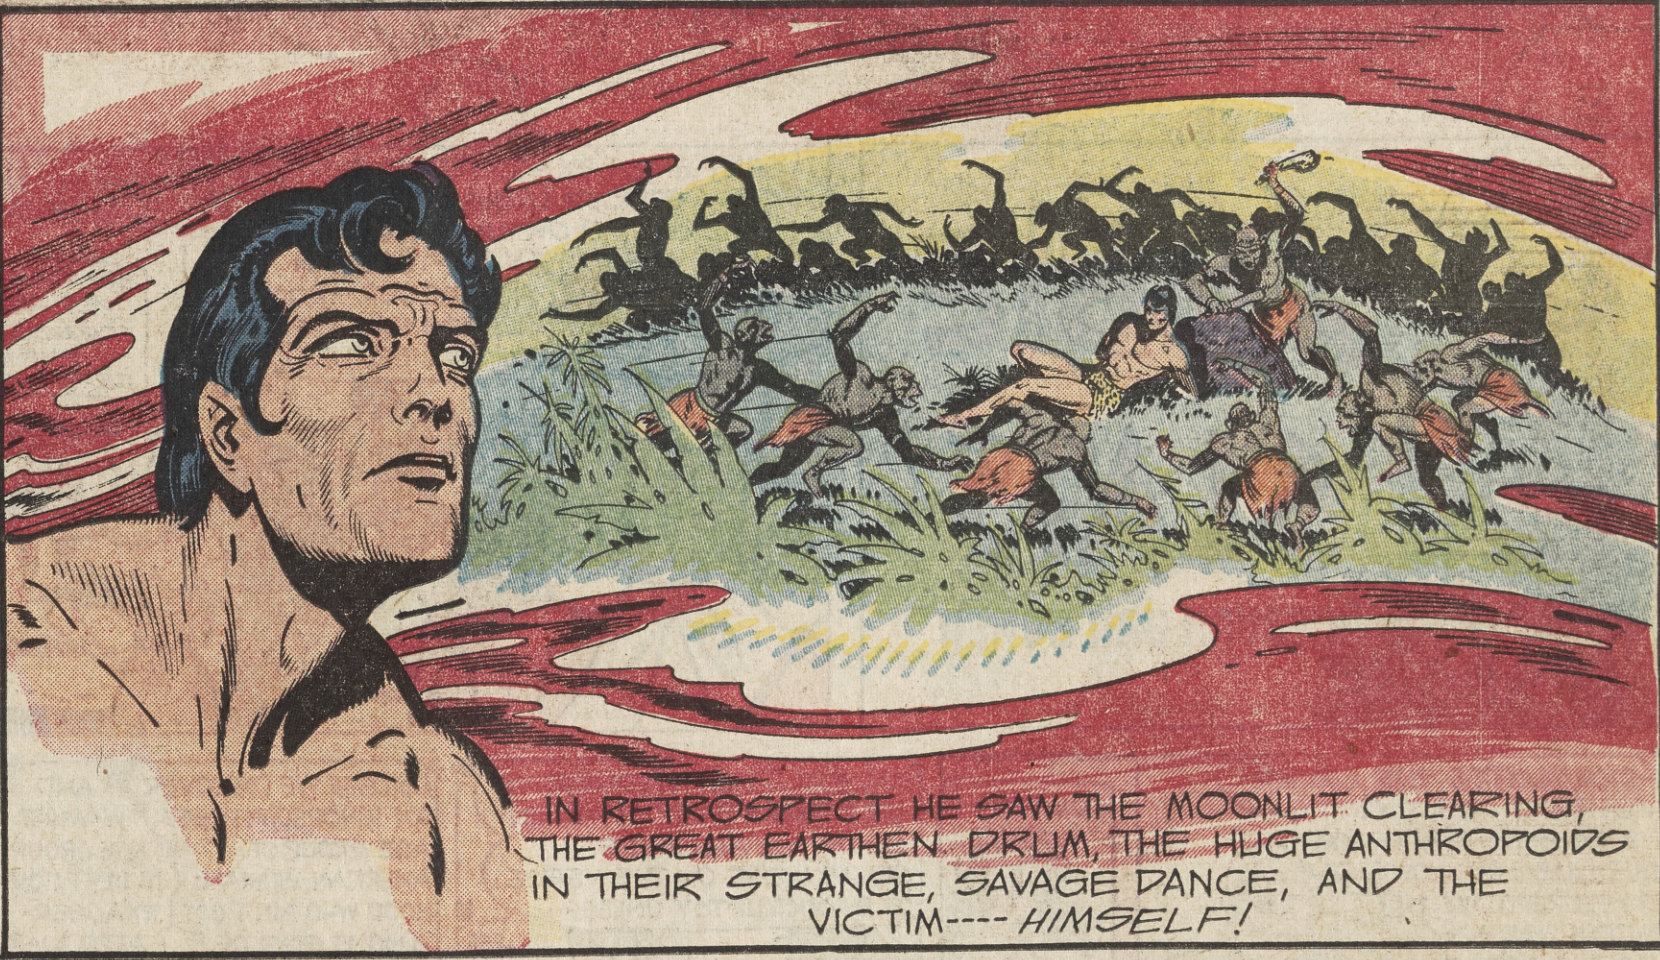

IN SILENCE,  
THE TREE-MAN  
SECURED THE  
END OF THE  
ROPE, GLARED SAVAGELY AT  
TARZAN AND WALKED OUT.

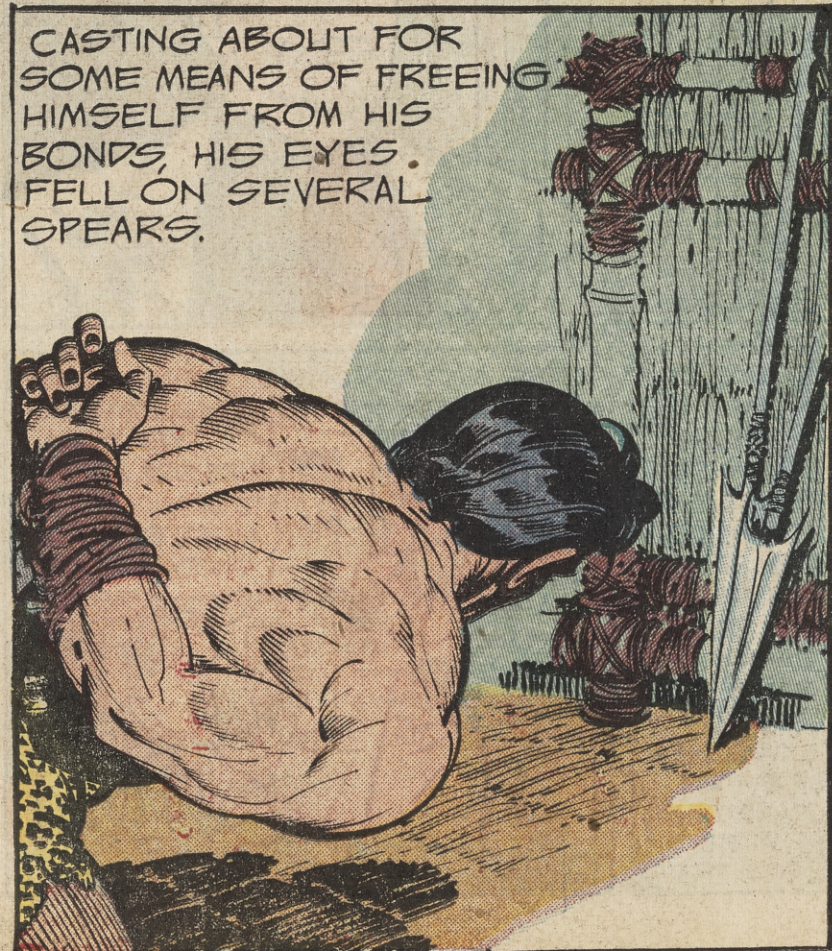

"WHEN GORO THE MOON  
STANDS HIGH," HE GROWLED, "WE  
DANCE THE DUM-DUM. THEN WE  
SHALL EAT THE STRANGER.  
GUARD HIM WELL."

TARZAN  
KNEW THE ROLE  
OF THE VICTIM IN  
THE RITES OF  
THE DUM-DUM. HE  
HAD HIMSELF DANCED  
TO THE RHYTHM OF THE  
GREAT EARTHEN DRUM.

IN RETROSPECT HE SAW THE MOONLIT CLEARING,  
THE GREAT EARTHEN DRUM, THE HUGE ANTHROPOIDS  
IN THEIR STRANGE, SAVAGE DANCE, AND THE  
VICTIM—HIMSELF!

CASTING ABOUT FOR  
SOME MEANS OF FREEING  
HIMSELF FROM HIS  
BONDS, HIS EYES  
FELL ON SEVERAL  
SPEARS.

CLAMPING HIS TEETH ABOUT THE HAFT  
OF ONE, HE REVERSED THE SPEAR  
SO THAT THE BLADE  
RESTED ON THE  
FLOOR.

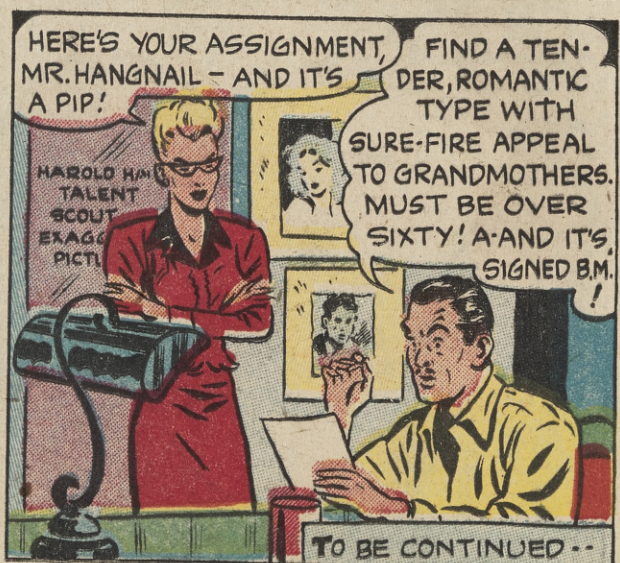

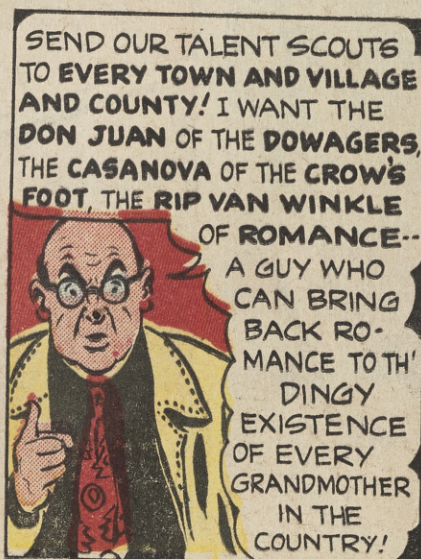

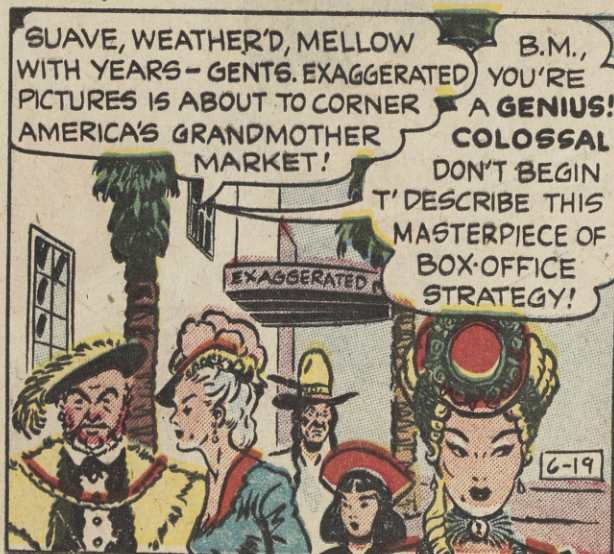

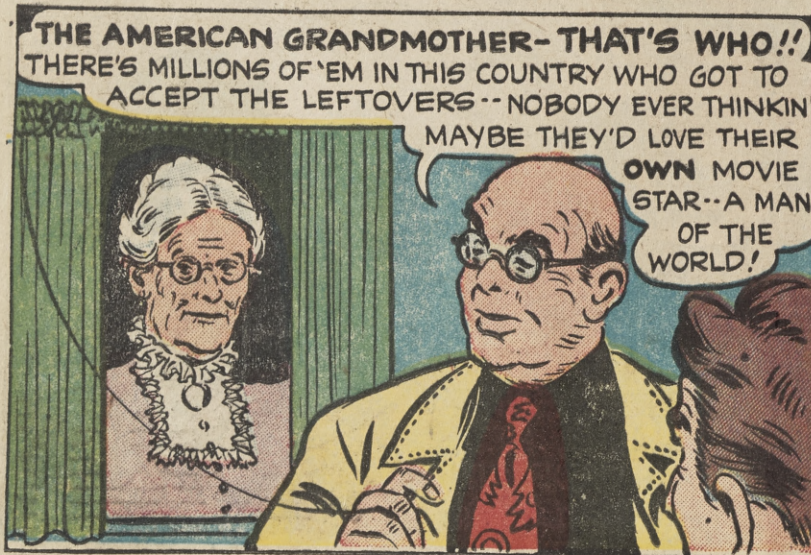

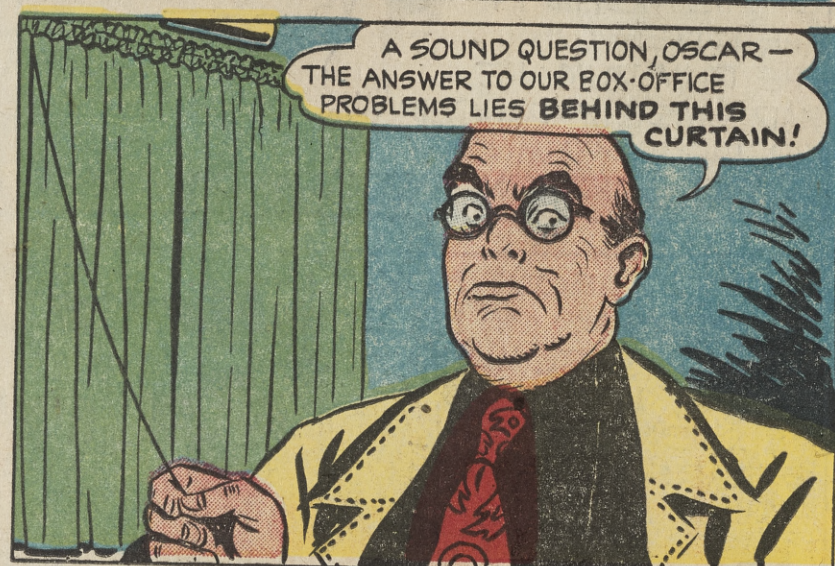

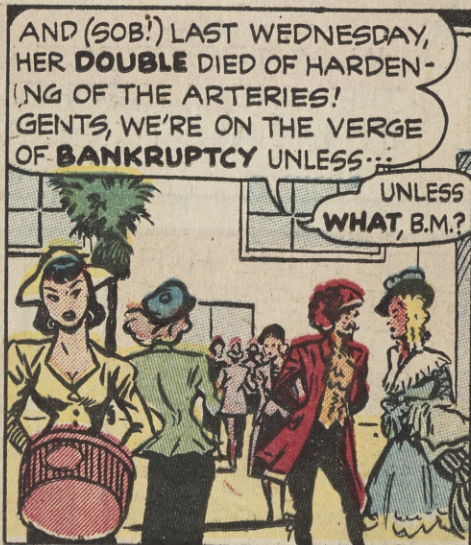

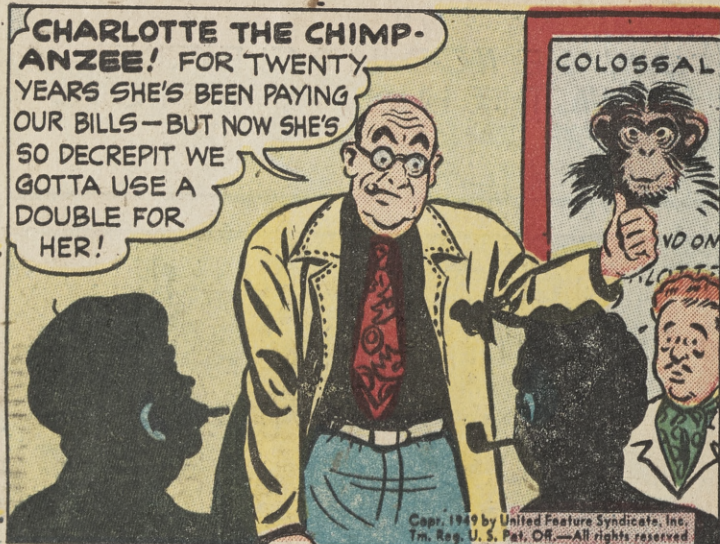

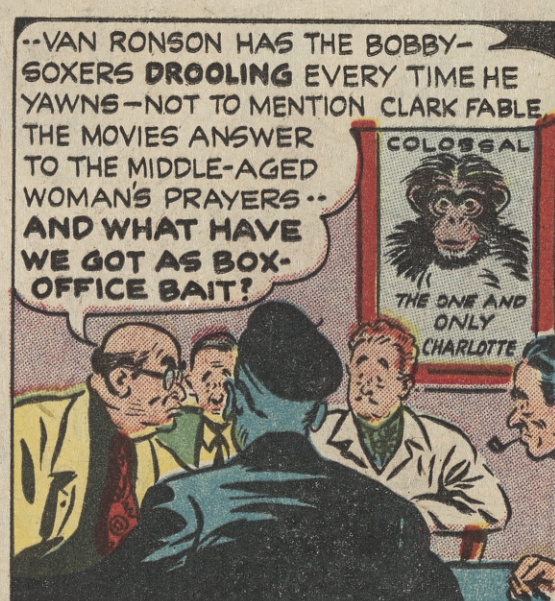

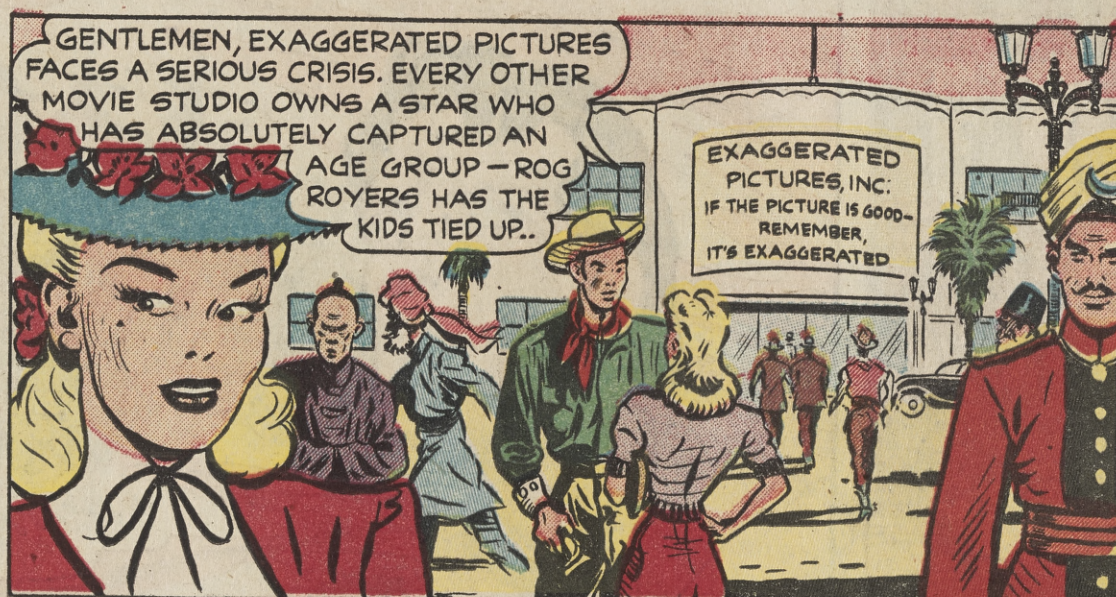

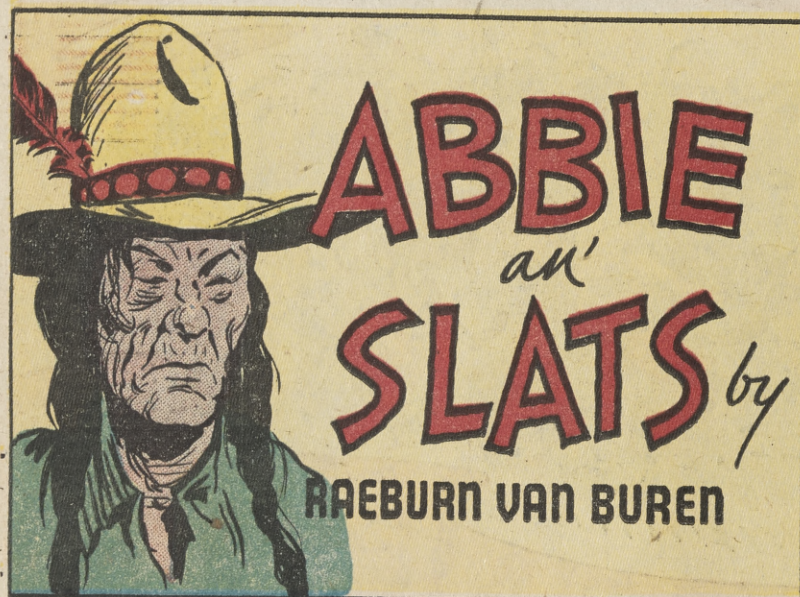

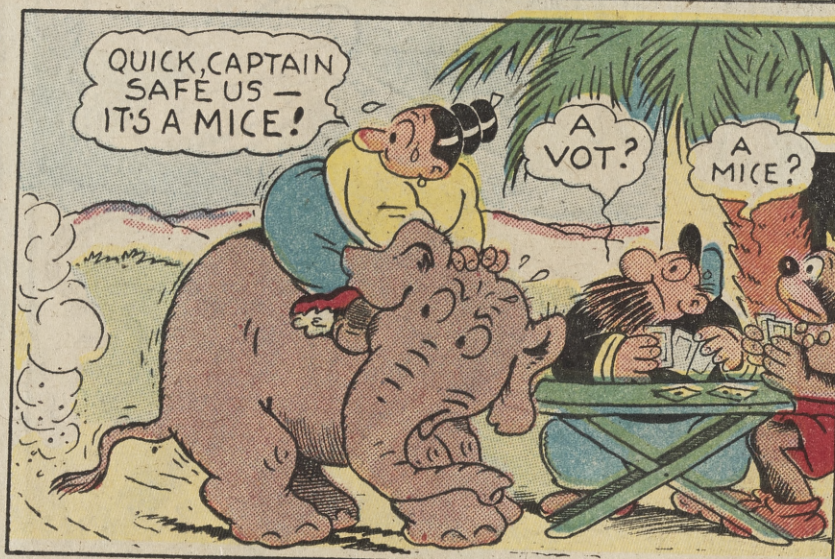

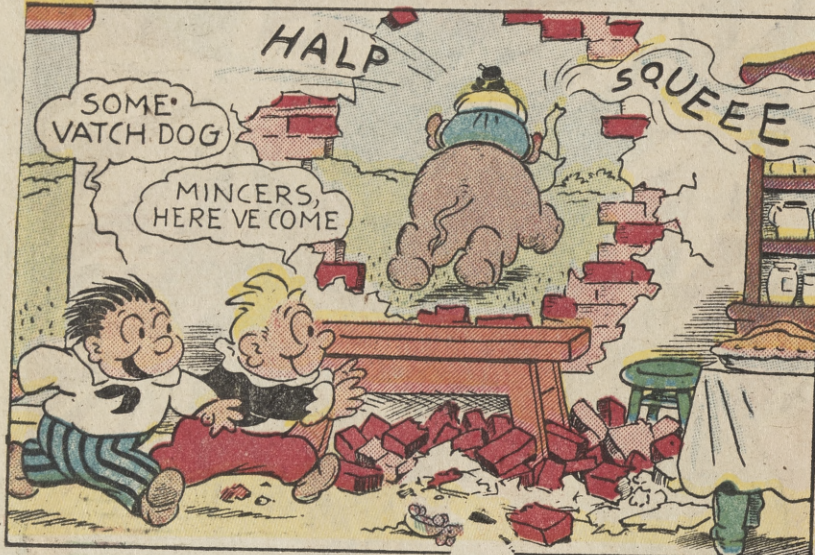

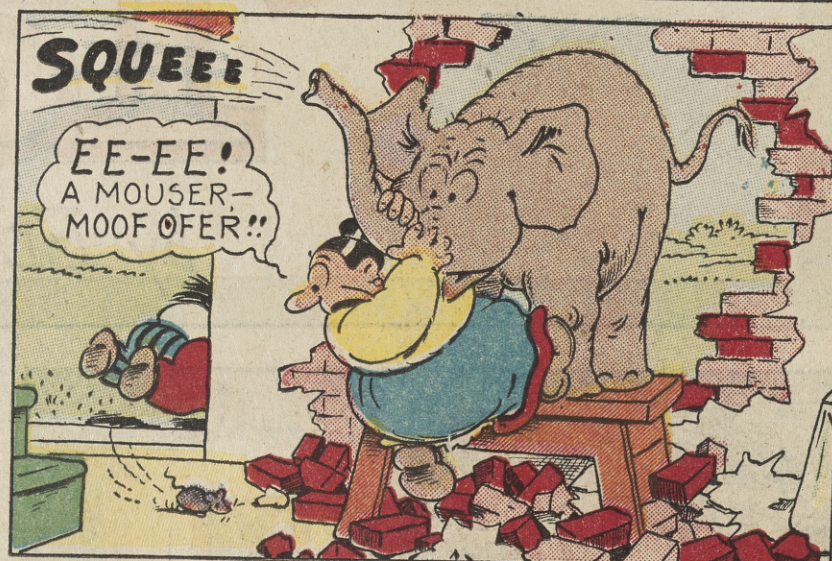

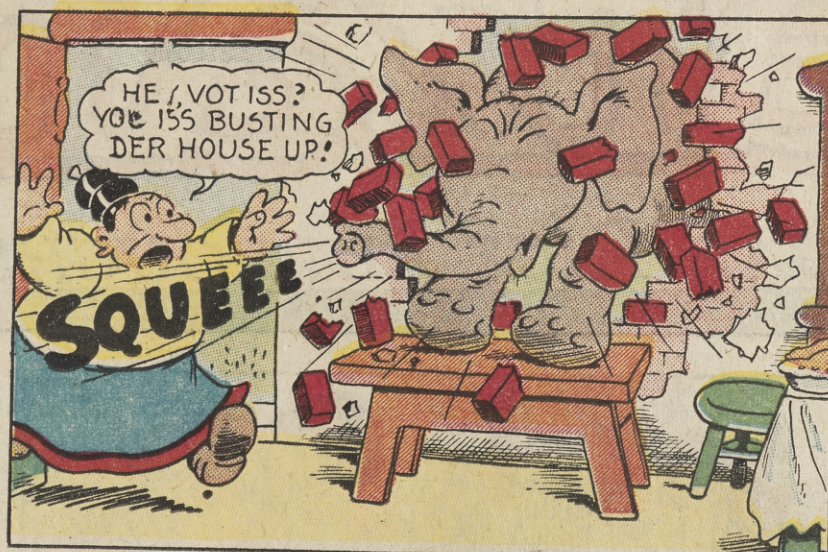

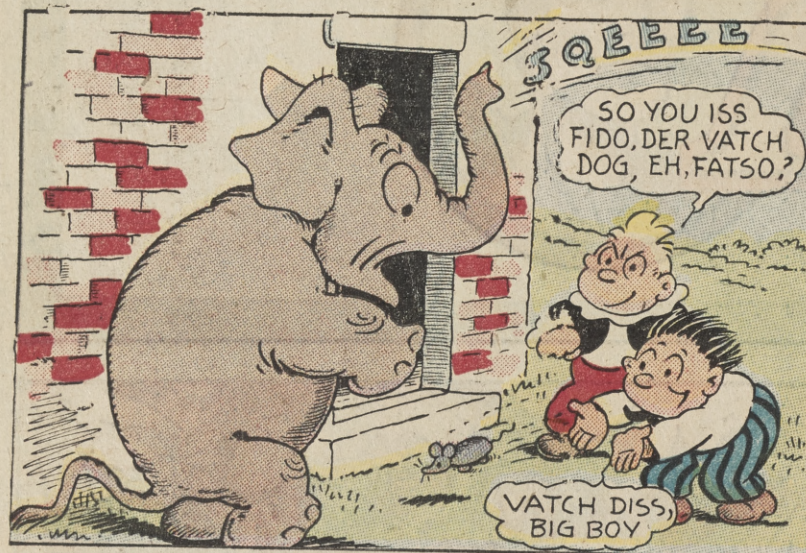

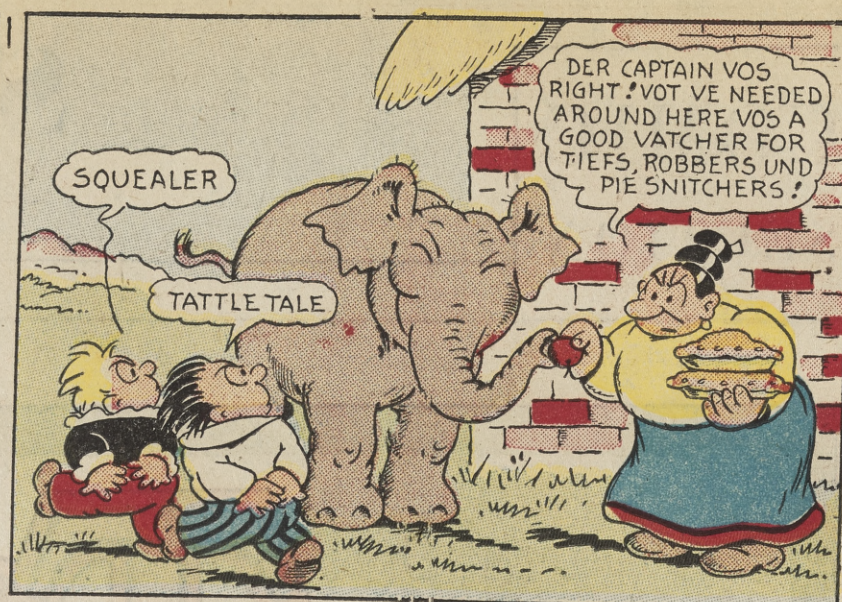

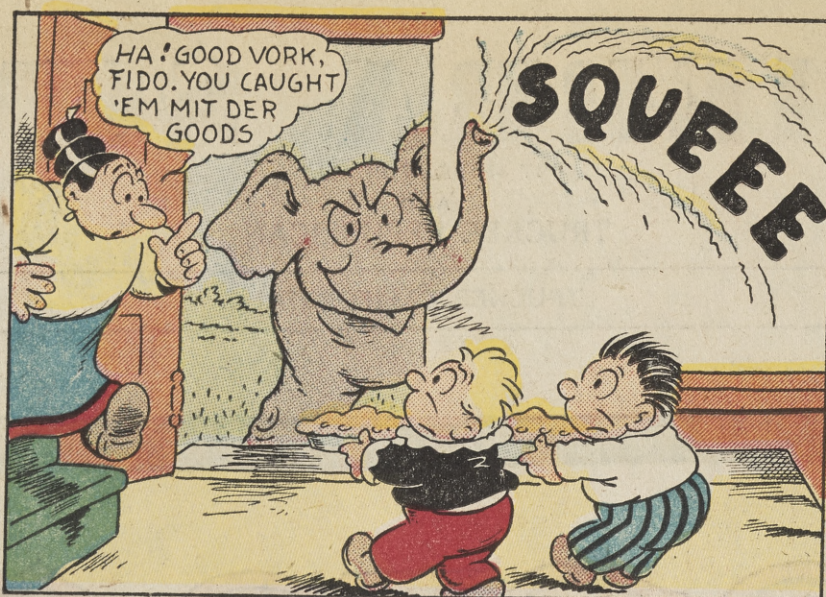

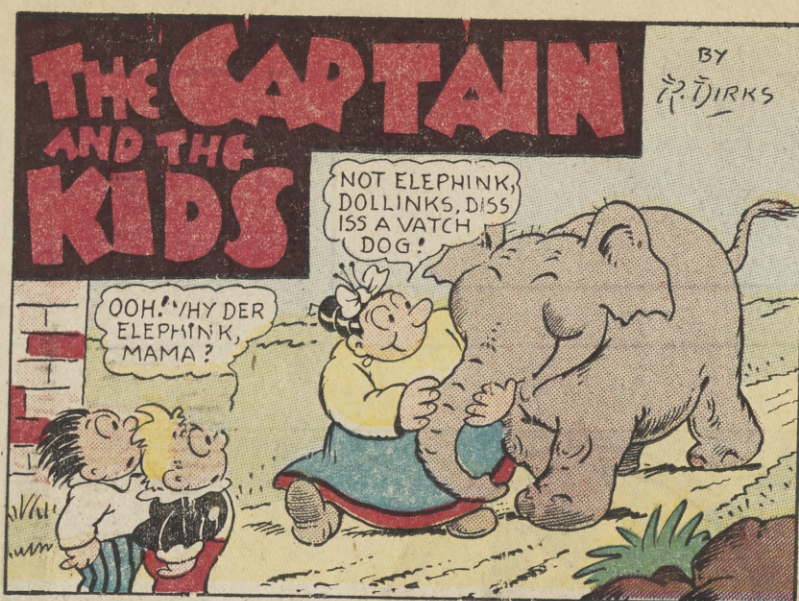

PRESSING  
THE ROPE AGAINST  
THE BLADE, HE  
BEGAN WORKING  
HIS ARMS UP AND DOWN.

HOGARTH
